STUDY GUIDE

FOR INTERNATIONAL YEAR 12 STUDENTS

a university for
the real world[®] |

Find a scholarship

QUT is proud to offer a range of scholarships to recognise and support our international students. If you receive one of these merit scholarships, you will also gain membership to the College of Excellence. The membership brings together QUT's best and brightest students and provide opportunities to build a personal and professional development program that will challenge you to realise your true potential. Visit our website for more information: www.qut.edu.au/international/undergraduate-scholarships

Scholarship	Benefits	Eligibility

FOUNDATION PROGRAMS	QTAC Code	OP Score	ATAR	Assumed Knowledge
Intensive Program	Not via QTAC	14	67.95	
Standard Foundation Program	Not via QTAC	20	51.20	
Extended Foundation Program	Not via QTAC	20	51.20	

Education entry requirements:

- * You must have passed four semesters at Australian high school level or equivalent in English and Maths A, B or C and at least one of Agricultural Science, Biology, Chemistry, Earth Science, Marine Science, Marine Studies, Physics or Science 21.
- ** You must have passed four semesters at Australian high school level or equivalent in English and Maths A, B or C.
- ~ Relevant score and personal statement addressing suitability criteria.

Notes

- ^ Relevant score and portfolio
- ^^ Portfolio and interview
- + Audition

Courses with additional entry requirements (Audition, interview and portfolio) have an early QTAC closing date. For more information check the online course information at www.qut.edu.au/study

Entry requirement for double degrees

A double degree combines two bachelor degrees into a single course of study. You can complete a double degree in a shorter time than two separate degrees, saving you time and money.

You can apply via QTAC, listing the double degree as one of your course preferences, the same as you would for any single degree.

The selection rank threshold for a double degree will be same as the threshold for the more competitive of the two single degrees.

www.qut.edu.au/study/study-options/double-degrees

Disclaimer:

This information is correct and true at time of printing and provided as a guide. Please refer to www.qut.edu.au/study/applying/international-year-12-students for the most up to date information. You can also view the score conversion tables (including IB scores) online.

Pathways to QUT

QUT offers diploma programs that provide direct pathways into the selected bachelor programs with up to one year of advanced standing. Diploma students benefit from additional academic and language support, small classes and more contact hours to help you succeed in your bachelor program (www.qut.edu.au/study/pathway-programs).

Successful completion of:	Credit for prior learning (advanced standing)	Bachelor Program	Duration remaining to complete Bachelor
Diploma in Business	96 credit points (equivalent to 1 year)	Bachelor of Business	2 years (4 semesters)
Diploma in Engineering	96 credit points (equivalent to 1 year)	Bachelor of Engineering (Honours)	3 years (6 semesters)
Diploma in Information Technology	96 credit points (equivalent to 1 year)	Bachelor of Information Technology Bachelor of Games and Interactive Environments	2 years (4 semesters)
Diploma in Creative Industries	96 credit points (equivalent to 1 year)	Bachelor of Creative Industries Bachelor of Communication Bachelor of Design (selected majors)	2 years (4 semesters)
Diploma in Health Science (Nursing)	84 credit points (7 units)	Bachelor of Nursing	2 years (5 semesters including a summer semester) (Feb entry)
Diploma in Health Science (Health Studies)	Up to 48 credit points (equivalent to 0.5 year)	Pathway into a range of Health Bachelor programs	3-4 years depending on the chosen degree

*Visit www.qut.edu.au/study/pathway-programs for more information

After applying for your main Bachelor course via QTAC, you can request a pathway Diploma or Foundation offer by emailing qut.intadmission@qut.edu.au or alternatively, you will automatically receive a pathway offer if required, after your results are released.

Apply to QUT

1 Choose a course

Visit www.qut.edu.au/study/international

2 Apply via QTAC

Submit your application through the Queensland Tertiary Admissions Centre (QTAC) www.qtac.edu.au

3 Receive a conditional offer

QUT will issue you a conditional Letter of Offer for your highest nominated QUT course from late August. Offers will be conditional on course academic and English language requirements.

4 Change of preference

If you wish to request an offer for a different course before or after your year 12 results are released please email qut.intadmission@qut.edu.au

5 Release of Year 12 results

When your final Year 12 results are released, check that you have met all the requirements for your offer.

Selection rank adjustment will be applied at this point (refer to Year 12 subject scheme below).

Should you wish to change an offer to a different course after your Year 12 results are released, please email qut.intadmission@qut.edu.au

6 Completed a VET program?

If you completed a VET program (Certificate III, Certificate IV or Diploma), please email the results to qut.intadmission@qut.edu.au

7 Accept your offer

Once the conditions of your offer have been confirmed as met, finalise your acceptance by complete and return the following to qut.intadmission@qut.edu.au:

- Accepting of Offer Form (attached on your offer)
- Student Declaration Form (attached on your offer)
- Acceptance payment Confirmation (screenshot of your payment)

For more information visit the Year 12 website: www.qut.edu.au/study/applying/international-year-12-students

Year 12 subject scheme

We offer adjustment schemes that can help you get into the course you want. This provides an adjustment to your selection rank (or OP equivalent). You can receive up to a maximum of 8 selection rank adjustments.

You'll need to have completed the equivalent of four semesters at senior school level (Years 11 and 12) with a passing exit grade in Mathematics C, Physics, Languages other than English (LOTE), Aerospace Studies or Engineering Technology (for students who apply to study a QUT Bachelor of Engineering or related double degree) or university units (e.g. through START QUT).

You don't need to apply separately for the Year 12 subject scheme, QUT will calculate it automatically.

This scheme applies to 2019 Year 12 students applying for entry in 2020.

Visit www.qut.edu.au/study/applying/adjustment-schemes for more info.

Hear from our students

ZOE ZHAN, China

Bachelor of Nursing (2nd year)
Completed Year 12 at Balmoral State High School

After exploring QUT on Open Day and QUT International High School Day, I was very impressed by QUT's teaching and learning dynamic. By the end of year 12, I was sure that QUT would be the university for me.

In my current nursing degree, I enjoy and benefit from the practical skills I learn. Many of these skills prepare us to meet and exceed the expectations of the nursing industry, giving us the confidence to do our best at our placements.

SEOHYUN YOON, South Korea

Bachelor of Engineering (Honours) (3rd year)
Completed Year 12 at John Paul College

QUT has been a perfect place for me academically, socially and culturally. I've had various opportunities including working as a QUT ambassador and volunteering at QUT events which helped me make a lot of new friends and be active in everyday life.

I'm very happy that I choose QUT as I feel like I'm constantly developing my skills and knowledge and evolving my way of thinking, not only as a student, but also generally in personal growth.

KIRILL PLETNEV, Russia

Bachelor of Business / Bachelor of Engineering (2nd year)
Completed Year 12 at Saint Stephen's College

One of the main reasons I decided to study at QUT is its worldwide network of partners with institutions and industries. QUT is passionate about connecting students and industry partners which helps to create strong networks leading to employment.

What we discuss during the classes are based on real-world examples, about real organisations and real problems. Connecting business interests and technological solutions is my passion and studying at QUT provides the best practical experiences to get there.

Meet our students

Meet Science and Engineering Faculty students Nicole, Rafael Ramos, Ian Ngiam and Yu Koga and hear why they are studying STEM at QUT. http://bit.ly/stem_at_qut

Follow the journey of two international students through their studies at QUT. http://bit.ly/international_student_life

A day with Emily, a Creative Industries student from Taiwan http://bit.ly/creative_industries

2019 events

QUT OPEN DAY

Sunday 28 July, 9am–3pm

Gardens Point (city) campus

Start preparing for your bright future at QUT Open Day. It's your best chance to chat with staff and students from all faculties and study areas, and find the answers to all your questions about courses, careers and uni life.

<https://www.qut.edu.au/study/events/qut-open-day>

QUT INTERNATIONAL HIGH SCHOOL DAY

Monday 21 October, 9.30am–3pm

(Pupil Free Day)

Gardens Point (city) campus

We welcome international students studying Year 11 and 12 in Australia to participate in fun and hands-on activities for a day! This is your opportunity to meet your future university friends, speak to current QUT international students and consult with faculty staff about your courses of your interest. www.qut.edu.au/events/high-school-day
