Program List 56

Admission Application Form 63

On the cover: Learn from leading researchers and benefit from world-class facilities, like USQ's Mt Kent Observatory, Queensland's only professional astronomical research facility.

‘Our graduates have the highest starting salary in the country.

We enable this by providing a quality, workplace-ready education which is tailored to the needs of our students in a flexible and supportive learning environment.’

Professor Geraldine Mackenzie
Vice-Chancellor

USQ acknowledges the Giabal and Jarowair peoples of the Toowoomba area, the Jagera, Yuggera and Ugarapul peoples of Ipswich and Springfield, the Kambuwal peoples of Stanthorpe, and the Gadigal peoples of the Eora nation, Sydney, as the keepers of ancient knowledge where USQ campuses and hubs have been built, and whose cultures and customs continue to nurture this land. USQ also pays respect to Elders – past, present and future.

We are ranked in the
TOP 3%
of universities worldwide

We are
No.1
in Australia for graduate starting salary[1]

We scored
5 STARS
for internationalisation and employability[2]

30
areas of research at USQ recognised as world standard or better[3]

50+
national and international industry partners for you to collaborate with

100+
nationalities are represented in our student community

1 Good Universities Guide, 2020
2 QS Stars, 2019
3 Excellence in Research for Australia National Report, 2018–19

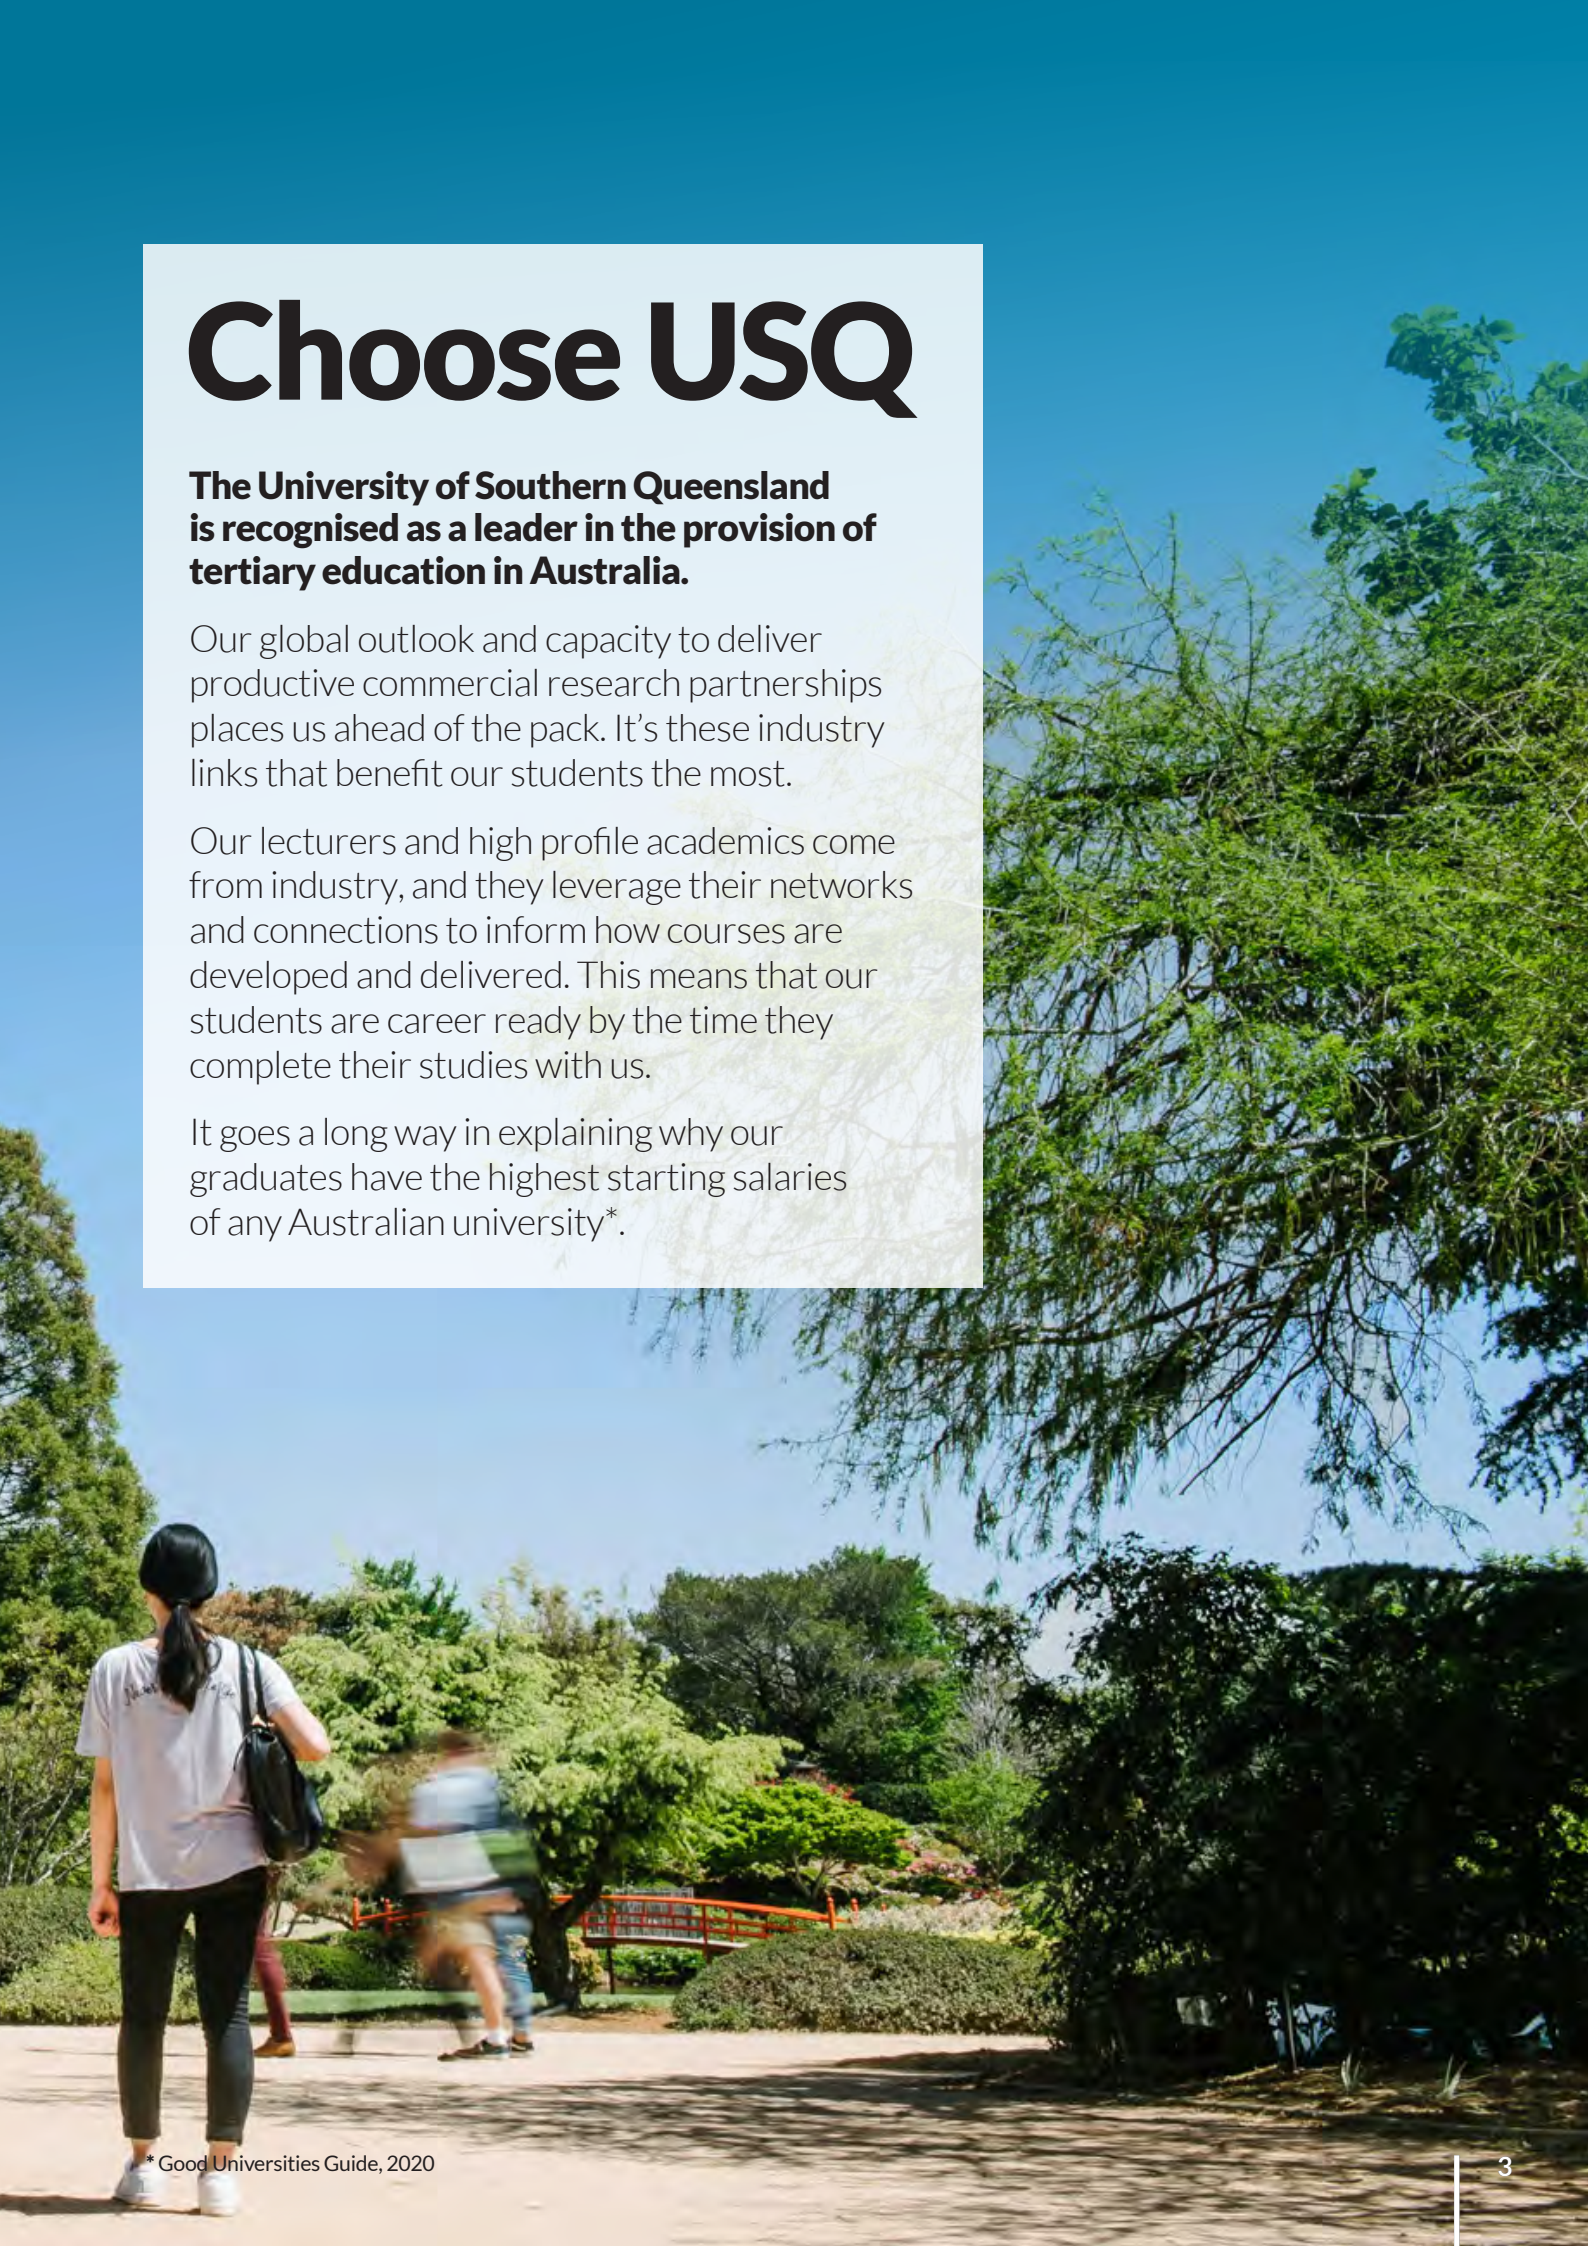

Choose USQ

The University of Southern Queensland is recognised as a leader in the provision of tertiary education in Australia.

Our global outlook and capacity to deliver productive commercial research partnerships places us ahead of the pack. It's these industry links that benefit our students the most.

Our lecturers and high profile academics come from industry, and they leverage their networks and connections to inform how courses are developed and delivered. This means that our students are career ready by the time they complete their studies with us.

It goes a long way in explaining why our graduates have the highest starting salaries of any Australian university*.

* Good Universities Guide, 2020

ABOUT QUEENSLAND, AUSTRALIA

SECOND-LARGEST
state in Australia,
seven times the size of
the United Kingdom.

There is high demand for
SKILLED GRADUATES
in specific industries.
USQ addresses this demand
with practical programs in fields
such as Engineering.

300 DAYS
of sunshine per year.

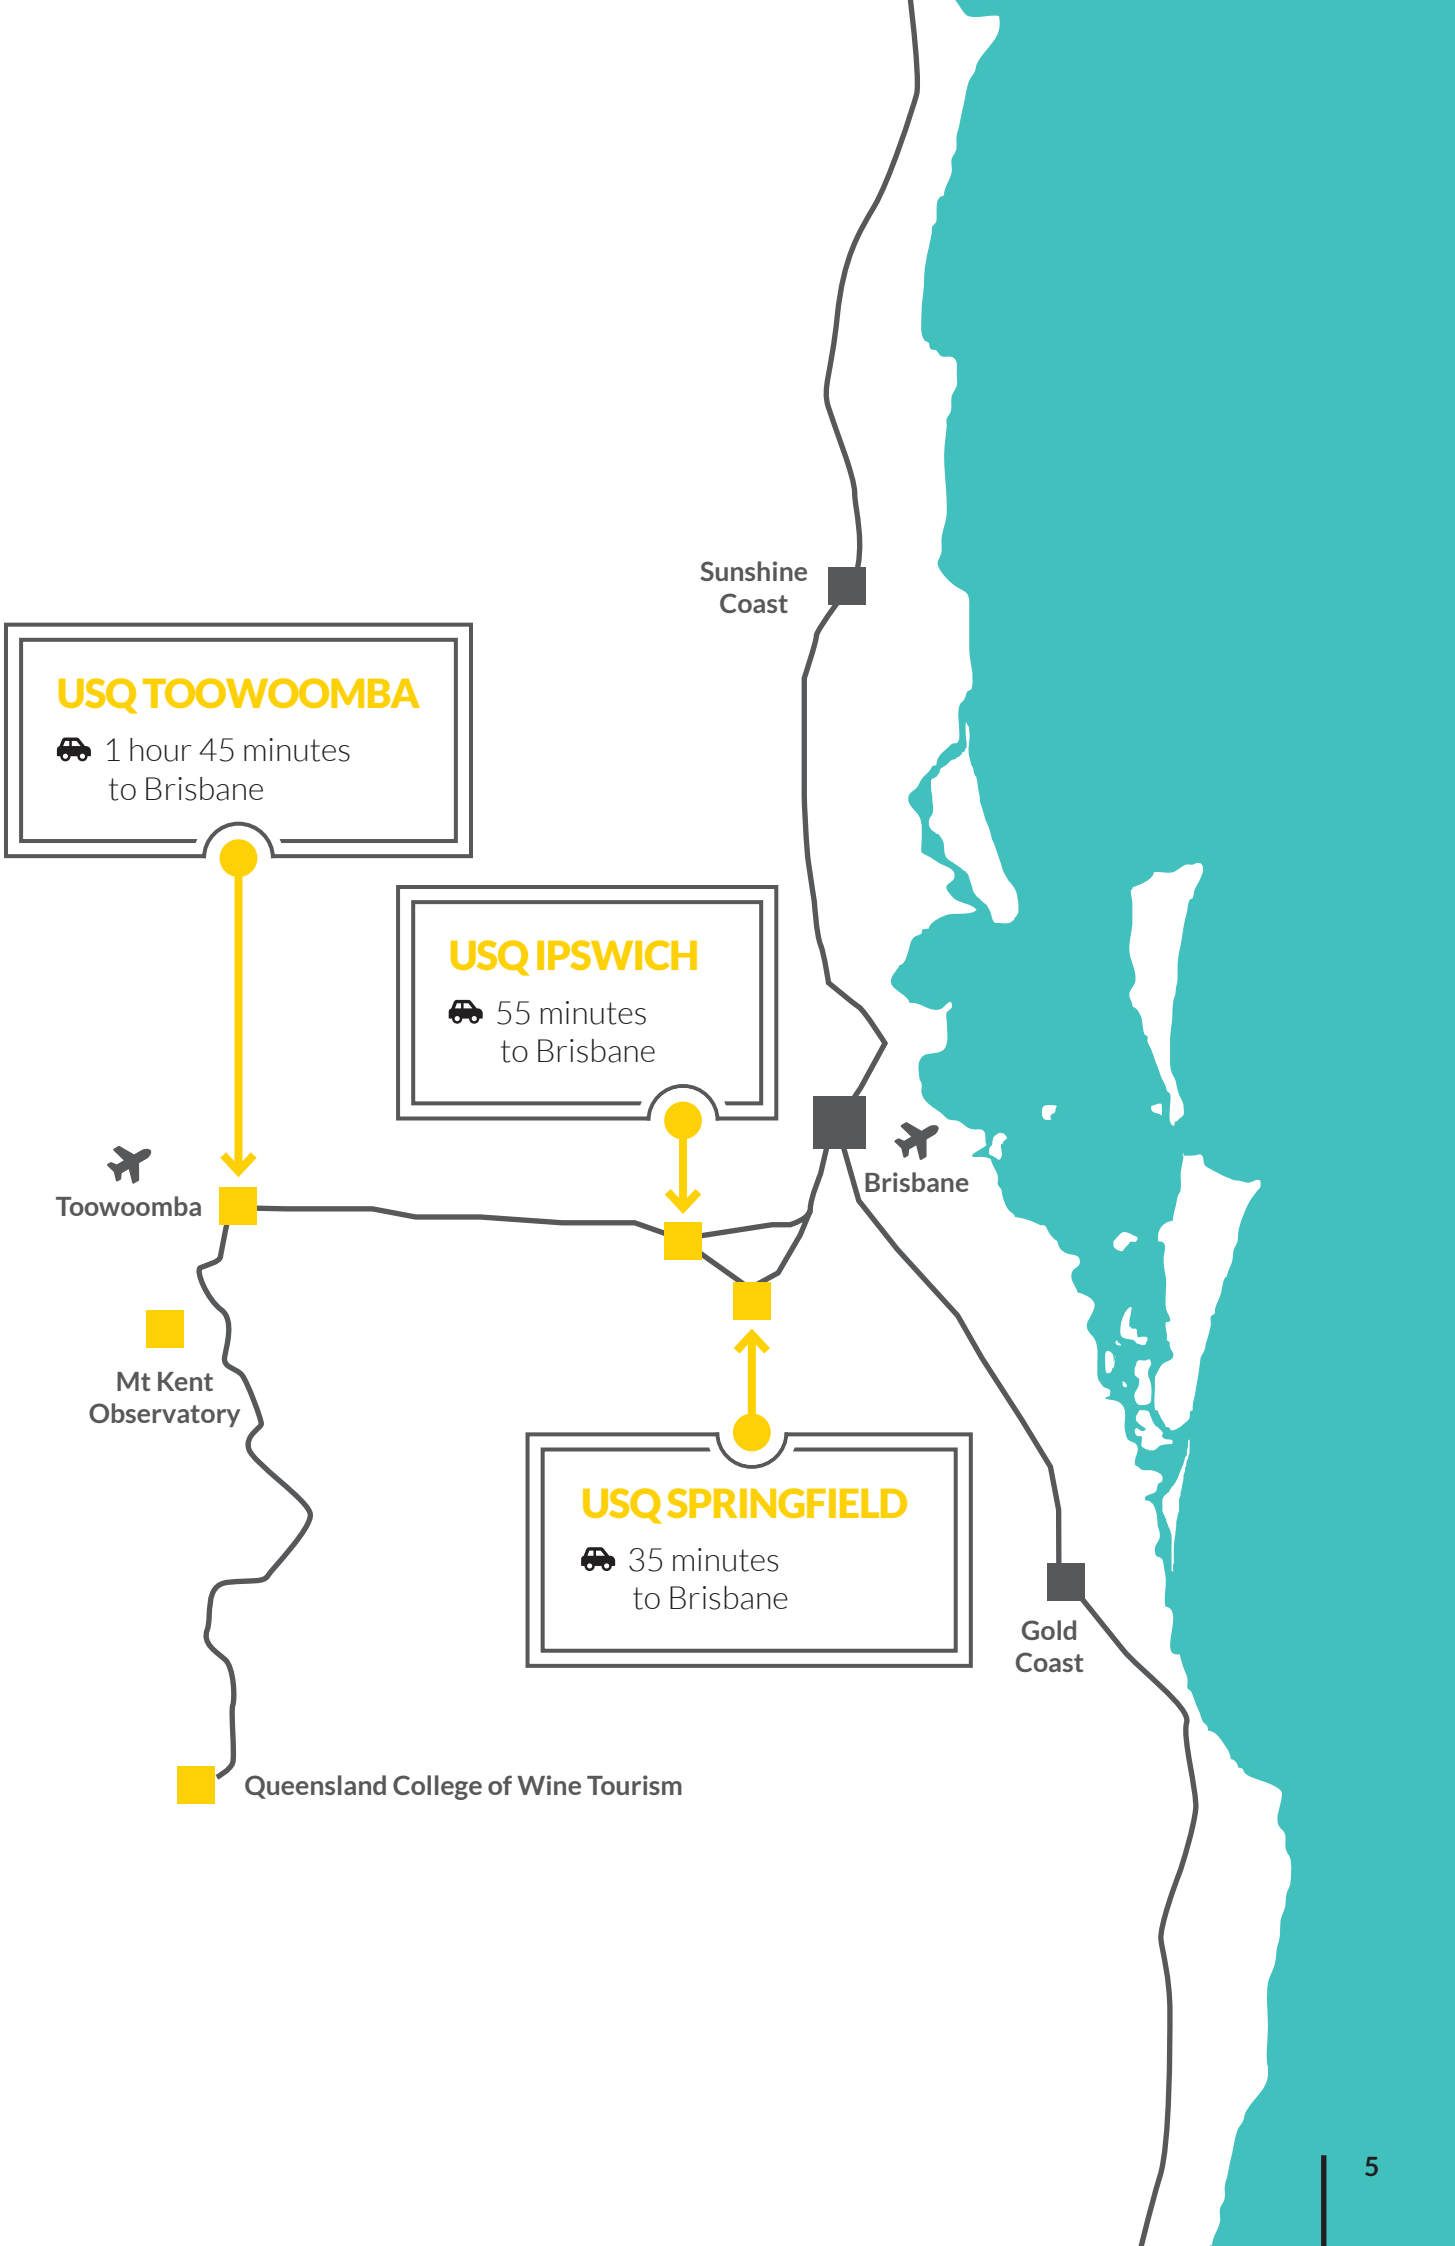

Beautiful landscapes,
rainforests and
THE GREAT BARRIER REEF.

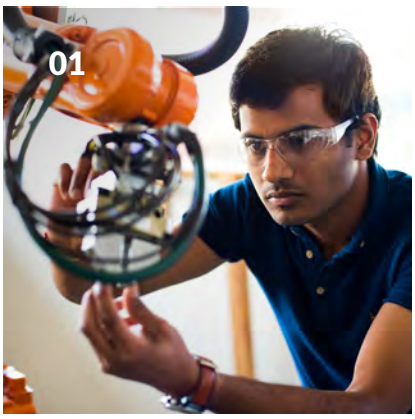

SUB-TROPICAL
temperature averages
of 24°C in summer and
14°C in winter.

Unique flora and fauna,
including over
20 MILLION
kangaroos.

TWO MAJOR
international airports.

Sunshine Coast

Gold Coast
Queensland College of Wine Tourism

Enjoy your USQ journey from arrival to graduation

01 Access world-class facilities. **02** Play social sport at USQ. **03** Attend international student welcome events. **04** Join a variety of clubs. **05** Make new friends and see familiar faces. **06** Live on-campus at a Residential College. **07** Experience multimedia productions. **08** Enjoy local cafés and restaurants. **09** Explore vibrant city life. **10** Connect and be supported. **11** Participate in on-campus events.

OUR CAMPUSES

Toowoomba

Enjoy the full on-campus experience with Residential College accommodation, where you can choose from three different colleges, each with different living arrangements, such as meals provided, or shared kitchen facilities. Access sporting and social clubs, a 24 hour-access gym and a world-class tennis centre to complement your academic degree. Additionally, enjoy free and ample parking to make your campus experience easy.

Toowoomba is a thriving community, with award-winning parks and gardens, modern and expansive facilities, a vibrant café scene, and is surrounded by national parks home to towering forests.

USQ Toowoomba is located in one of Australia's largest inland cities, just under two hours drive west of Brisbane, with world-famous Gold Coast beaches a day trip away.

Springfield

USQ Springfield is a vibrant, modern campus, with ample car parking, just 20 minutes from the Ipswich CBD, 35 minutes from Brisbane city with connecting public transport, and 50 minutes from the Gold Coast.

A hub for digital production and performance, the campus includes a state-of-the-art television studio, radio station and rehearsal spaces, as well as collaborative teaching rooms, laboratories for science and engineering, and fitness and recreation centres.

USQ Springfield's world-class flight simulator, supporting our aviation degrees, is the first of its kind in Queensland.

Ipswich

USQ Ipswich is located approximately 55 minutes from Brisbane and just over an hour from the Gold Coast. Ipswich is one of the fastest growing areas in Queensland, offering an ideal lifestyle, combining heritage charm with the benefits of modern and exciting metropolitan living.

USQ Ipswich offers degrees in paramedicine, sport and exercise, nursing, psychology, counselling and other health-related careers, in addition to a thriving campus with a café, library and ample parking.

Home to USQ's Health degrees, USQ Ipswich includes custom-built paramedical training facilities, clinical nursing laboratories and a sport and exercise clinic.

STUDENT SERVICES

USQ has a strong, supportive community that translates into providing dedicated and personalised support to our students, researchers and alumni. Every USQ student has access to free services and professional staff to help you balance work, life and study, including:

- career development
- counselling services (personal and academic)
- disability support
- elite athlete support
- health and wellbeing engagement
- study support
- welfare support.

Airport pick-up

USQ offers all new commencing USQ international students free pick-up from the Brisbane or Toowoomba airports. This service collects you from the airport and transfers you to your accommodation.

Free daily shuttle bus

All USQ students can access USQ's daily inter-campus shuttle bus service between USQ Toowoomba, USQ Springfield and USQ Ipswich.

iconnect

iconnect is our centralised support service for students. Designed with student input and offering extended operating hours, it provides a space for you to access USQ information, academics, peer support and all services in one place.

Library and study spaces

Every USQ campus has its own dedicated library to provide students with numerous resources, including thousands of online books and journals. Our libraries include computer labs, group study rooms and quiet spaces for you to study. Staff are also available to provide you with research assistance.

Multicultural support

USQ was the first Australian university to implement a formal policy on multiculturalism. Today, a dedicated multicultural centre supports a diverse and vibrant international university community. Students can access the following:

- advocacy services
- English speaking skills development
- events
- friendship groups
- multi-faith services
- orientation information
- register of languages
- student association.

Omnia Books and Beyond

Students can purchase their stationery, study materials, textbooks and USQ merchandise at our on-campus bookshops.

Student life

More than just study, USQ supports a range of programs, clubs and events outside the classroom. Get involved with activities designed to make friends and experience new things:

- orientation
- social and cultural activities
- sport and recreation activities
- student clubs
- student leaderships and awards and more.

USQ Student Guild

The USQ Student Guild hosts regular social and sporting events and can assist with professional development, legal assistance and other academic and personal matters. Students are also eligible for membership discounts at USQ Works Health and Recreation Club. You can also join a range of clubs and societies.

Alumni success

USQ has over 106,000 graduates from 146 countries. There are more than 15 alumni chapters around the world.

More information on our student support and services can be found on our website: **usq.edu.au/international**

Many of USQ's graduates have risen to influential careers that positively impact society.

Visit **usq.edu.au/alumni** for inspiration and information on alumni benefits and ways to connect.

ON-CAMPUS ACCOMMODATION

All Residential Colleges are located at USQ Toowoomba. The colleges provide a range of modern and comfortable facilities enhanced by an on-site team offering personalised support, advice and companionship.

McGregor College

This college offers you a variety of living options with private apartment-style flats as well as single bedrooms with shared bathroom and kitchen facilities.

Steele Rudd College

This home away from home was recently refurbished. Its modern, light and airy appearance makes your study life a dream and inspires your daily activities. The college offers nearly 120 bedrooms with shared bathrooms.

Concannon College

This 100 bed double story accommodation block has the option of bedrooms with private or shared bathrooms. It also offers students a variety of unique study spaces.

Convenience

Included in the price of accommodation is utilities, unlimited internet, parking, a strong support network and much more. Colleges have a team who regularly clean your bathroom and the common areas. There's also a 24-hour security service that provides general security services and assist you if you're locked out (at no charge). Colleges offer flexible agreements, with contracts based on academic semesters and the option to vacate during recess periods (free storage available).

Choice

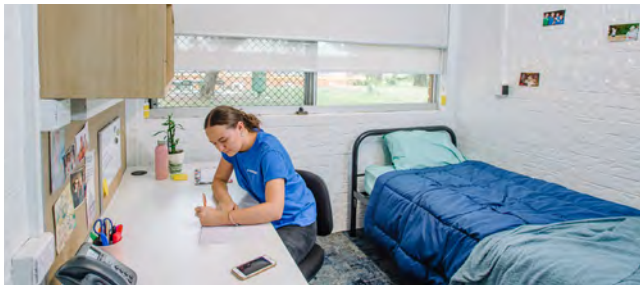

There are a variety of room types and catering packages to choose from, with the different options varying in price. From private ensuites to shared bathrooms and self-catered to three cooked meals per day, the choice is yours. For prepared meals, you have the choice of 7, 14 and 21 meals per week, with all dietary requirements and allergies catered for. Our self-catered facilities have access to a full kitchen, including: ovens, microwave, fridges, basic kitchen appliances and two designated draws for storing food items and utensils.

All of our rooms are single occupancy private rooms, and include: a king single bed, desk and built in cupboards. All of our blocks have a designated common room, free washing facilities and each college also has a Recreation Hall and Dining Hall.

Find out more about our Residential Colleges by visiting **usq.edu.au/accommodation**

Network and Community

We offer a comprehensive support network to help you both academically and personally. We have Resident Advisors (RAs) allocated to each college who form the basis of the support network, acting as the first port of call for any concerns. We also have a College Wellness Educator available to enhance the health and wellbeing of the college community. Peer support starts from day one, with the Student Transition and Engagement Program (STEP) where new students receive mentoring from returning students.

Colleges can enhance your student experience and broaden your employability skills, with events, cultural and sporting activities, leadership opportunities and so much more. You have the opportunity to make an incredible group of friends, which starts right from O-Week with a variety of activities to assist in your transition to USQ. The Resident Student Club (RSC) are student leaders who plan semi-formals/formal dinners, the weekly sport competition (Res Shield), social events and community activities through the year.

Accommodation support

You need to feel safe and settled to succeed in your studies. That's why we have a dedicated team ready to guide you when choosing your accommodation. Contact us to discuss your individual needs at **accommodation@usq.edu.au**

For the most up-to-date fees visit **usq.edu.au/accommodation-fees**

Homestay

Everyone's accommodation needs are different. If living with a family is preferred, you can locate a suitable homestay family for some or all of your study journey.

We recommend making contact with reputable homestay providers such as **homestaynetwork.org**

STUDY ABROAD AND EXCHANGE

Build your international experience. Join a short-term study abroad or semester exchange program with USQ.

Travelling for study builds a set of skills that employers find highly desirable, such as interpersonal communication, problem-solving and resilience.

Our overseas study programs can range from just a few weeks, up to a semester, or even a whole year.

Overseas study:

- builds your confidence and independence
- develops your knowledge of another country, culture and language
- diversifies and enhances your career opportunities
- grows your international network, and
- provides you with credits towards your degree (where applicable).

Come to our campuses

Our diverse and vibrant campuses provide you with educational and cultural experiences. This is where you grow and develop personally, and prepare for your career. You can choose to study a short-term study abroad or study exchange program with USQ.

Find out more

Study Abroad and Exchange – Inbound

usq.edu.au/international/study-abroad-exchange

Gain another study experience

Once you are on-campus and studying a full USQ degree, you can choose to study outside of Australia on a short-term or semester-long study abroad experience.

An exciting world awaits you. We have partner universities in Canada, Denmark, France, Germany, Indonesia, Italy, Russia, South Korea, the United Kingdom, The Netherlands, and the United States of America... and many more!

Find out more

Study Abroad and Exchange – Outbound

usq.edu.au/study-abroad-and-exchange

International students make up over 10% of all students at USQ.

STUDY WITH A USQ PARTNER

Study with an international partner and get a USQ degree from your home country, or in Australia.

Education partners

USQ's Education Partners provide local administrative services and instructional support to students studying a USQ program within and outside of Australia.

Studying with an Education Partner gives you:

- the ability to remain in your home country
- access to teaching facilities in partner locations
- face-to-face mentoring and academic guidance from professional partner staff
- access to resources and student services
- the ability to obtain a USQ qualification.

You can study a USQ program with our partners in:

- Australia
- Malaysia
- Pakistan
- Russia
- Sri Lanka
- Switzerland
- Vietnam and more.

Find out more
usq.edu.au/education-partners

Articulation partners

USQ has partnered with a large number of prestigious national and international education providers, offering opportunities to obtain a USQ qualification in the following ways:

- Through an Articulation Partner: These arrangements enable you to progress from your completed external qualification into an approved USQ program. Depending on the nature of the arrangement, the completed qualification may be credited towards a USQ qualification or may qualify you for admission into a USQ degree.
- A dual award: These arrangements allow you to study a jointly-delivered degree from USQ and the partnered institution. Upon completion, you will receive an award certificate from both universities

Studying with an Articulation Partner gives you:

- course credit for prior studies (where applicable)
- the option to study fewer courses to complete a USQ qualification.

You can articulate to a USQ program with our partners in:

- Australia
- Bangladesh
- China
- France
- Indonesia
- Malaysia
- Morocco
- Oman and more.

Find out more
usq.edu.au/articulation-partners

GLOBAL EDUCATION PROGRAMS (STUDY TOURS)

At USQ, we provide student and organisational groups with the opportunity to improve their knowledge and understanding of English and Australian culture.

Study tour groups are available throughout the year at USQ Toowoomba for periods of two to 12 weeks. Each program is designed to meet your group's specific requirements.

Student study tour programs may include the following:

- English Language and Australian culture
- Trans-cultural nursing study program
- Language and business overseas seminar
- Australian university experience
- Academic English and test preparation
- Early childhood
- Aged care
- Political science and international relations in Australia
- TESOL teacher training
- English and STEM program.

Organisational professional development study tour programs are designed for:

- company executives
- government organisations
- teachers
- businesses
- entrepreneurship
- nursing students.

Study tour groups can request the following educational and cultural activities:

- Indigenous performances
- Indigenous culture – foods, stories, beliefs and language
- Australian sports
- Animal hospital visit
- School visits
- Local business visits.

Study tour groups may also experience the following excursions/activities:

- Lone Pine Koala Sanctuary
- Brisbane
- Gold Coast
- Surfing lessons
- Surf lifesaving water safety program
- Currumbin Wildlife Sanctuary
- Queensland's famous theme parks.

RESEARCH & RESEARCH TRAINING

USQ is a research intensive regional university addressing a wide range of critical global and regional challenges. With leading industry and government research partners, USQ is discovering solutions to build a strong and sustainable future.

Research excellence

Our world-class research is demonstrated by our strong performance in Excellence for Research Australia, a quality research assessment framework.

To build a culture of excellence, we engage researchers, communities and industry stakeholders to produce world-changing research and renowned entrepreneurs and innovators.

Graduate Research School

USQ offers the following research study programs through its Graduate Research School (GRS):

- Doctor of Philosophy
- Masters by Research
- Cotutelle program (joint PhD)

The GRS will provide you with dynamic and innovative mentoring and training support to help you discover cutting-edge solutions to address critical global challenges.

Cotutelle and Joint PhD programs

Our Cotutelle PhD program opens doors to international research candidates to conduct a PhD program across two universities:

- joint enrolment at USQ and an overseas university
- separate progress assessments
- a single thesis submitted simultaneously to both universities
- separate examination
- two testamurs
- two graduation ceremonies.

All candidates must meet the entry requirements for the Doctor of Philosophy at USQ and partner institution. Please visit **usq.edu.au/international/cotutelle** for scholarship and application information.

Please check page 61 for our available research programs.

Research Institutes and Centres

You will conduct your research through one of our world-class institutes and centres and experience our diverse and vibrant university environment.

Institute for Advanced Engineering and Space Sciences

Centre for Agricultural Engineering
Centre for Astrophysics
Centre for Future Materials

Institute for Life Sciences and the Environment

Centre for Sustainable Agricultural Systems
Centre for Applied Climate Sciences
Centre for Crop Health

Institute for Resilient Regions

Rural Economies Centee of Excellence
Centre for Health Research
Centre for Heritage and Culture

SCHOLARSHIPS

We support our international students with scholarships to help you build your career through study.

These are updated regularly, so please check our website for the latest information.

Find your scholarship at **usq.edu.au/scholarships/future-students**

Remember to check with your home country's government for other scholarship or sponsorship opportunities.

Nursing & Allied Health

Featured programs:

Diploma of Health Science (Nursing)

Bachelor of Medical Laboratory Science

Bachelor of Nursing

Gain the specialised expertise required to
deliver quality healthcare and services
from birth to aged care.

Build your career and develop practical skills to deliver specialised healthcare services to people of all ages.

USQ's Nursing and Allied Health academics are passionate and experienced healthcare professionals. A degree from USQ will provide you with industry-relevant, practical and theoretical skills to enable you to start your career.

We are the
No.1 university in Australia
for nursing graduate starting salary.
(Good Universities Guide, 2020)

Gain on-the-job experience and build your networks with our
industry-focused practical placements.

Prepare for your chosen health specialisation at our
$2.5 million
health teaching complex.

Bachelor of Medical Laboratory Science

February, July[1]

Toowoomba, External[2]

3 years or part-time equivalent | 24 units

CRICOS: 098992M

Entry requirements

- Your country's equivalent of the completion of Queensland high school level (Years 11 and 12), including the study of Mathematics A.
- An English proficiency level tested in the last two years at an IELTS of 6.0 (no band less than 5.5).

Degree overview

USQ's Bachelor of Medical Laboratory Science allows you to explore pathology and biomedicine to provide information that is vital in the prevention, diagnosis and treatment of human disease.

This degree includes 65 days of clinical placement to provide you with practical pathology experience in a laboratory and you will graduate with skills in transfusion science, microbiology, haematology, histopathology and clinical biochemistry ready for a career as a medical laboratory scientist.

Major	Study mode
Medical Laboratory Science	T, E

Professional accreditation

You will be eligible to apply for membership to professional organisations including the Australian Institute of Medical Scientists, Australian Society for Microbiology, Australian Society for Biochemistry and Molecular Biology and the Australian Society for Medical Research.

Further study options

Study a Graduate Certificate, Diploma or Master of Health Leaderships to advance your knowledge and skills and increase your employment options.

Requirements for professional experience placements

Practical experience is an integral component of the program and each student is required to undertake and satisfactorily complete 65 days of practical experience in Australia. There is no guarantee of students being able to undertake their placement in a block period.

Progression into practical courses is dependent upon a pass grade in theoretical and other practical courses that have been set as prerequisites.

Applicants must be willing to undertake and submit the requirements of the University of Southern Queensland and Queensland Health for practical placement. Please refer to the applicable Professional Practice Experience Handbook for Bachelor of Medical Laboratory Science students.

Notes for international students

1. Semester 2 entry is only available part-time, therefore is not suitable for international students who wish to study full-time on-campus.
2. This degree, when offered externally to international students, involves mandatory and highly recommended attendance at Residential Schools at a USQ campus, plus a period of clinical placement in Australia.

Bachelor of Nursing

February, July

Toowoomba, Ipswich

3 years or part-time equivalent | 24 units

CRICOS: 093153B

Entry requirements

- Your country's equivalent of the completion of Queensland high school level (Years 11 and 12), including the study of Mathematics A and Biological Science, Chemistry, Physics or Science, or equivalent[1].
- An English proficiency level tested in the last two years at an IELTS of 7.0 (no band less than 7.0).

Degree overview

USQ's Bachelor of Nursing aligns with current Australian professional nursing standards of practice and prepares you as a registered nurse in hospitals, community settings, mental health settings, GP practices, clinics, rural and remote health services and aged care facilities across Australia and the world.

Almost 50 percent of this degree is devoted to clinical practice[2] in USQ's on-campus simulation wards or in healthcare settings, such as large metropolitan hospitals, mental health services, regional health care services, aged care settings, community health services, specialty clinics and rehabilitation centres.

Major	Study mode
Nursing	T, I

Professional accreditation

USQ's Bachelor of Nursing at USQ is accredited by the Nursing and Midwifery Board of Australia (NMBA) and is listed as an approved program with the Australian Health Practitioner Regulation Agency (AHPRA).

Further study options

Study a Master of Nursing to advance your knowledge and skills and increase your employment options.

Requirements for professional experience placements

Practical experience is integral to the completion of this degree. Each student is required to undertake and satisfactorily complete 840 hours of practical experience.

To start practical placement courses, you must achieve a pass grade in theoretical and other practical prerequisites courses.

You must also be willing to undertake and submit to the requirements of USQ and Queensland Health for practical placement. Further information is available in the Professional Practice Experience Handbook for Nursing and Midwifery Students.

Notes for international students

1. International students who have a Registered Nurse qualification from an approved education institution under NOOSR guidelines may apply for exemptions in the program. Please refer to USQ International for information about how to apply.
2. All students must be able to meet the physical and other professional requirements of clinical practice within this program.

You'll also learn from a combination of our highly regarded USQ academics and current and former airline, airforce and instructor pilots and airport managers who all contribute to this dynamic and exciting industry.

Majors	Study mode
Aviation Management	T[1], S
Flight Operations[2]	T[1], S

Professional accreditation

For Flight Operations major students, once you have completed your year of flight training with a registered training organisation flight school, the Australian Civil Aviation Safety Authority will issue your Commercial Pilot Licence[2], an Instrument Rating, Multi-engine endorsement.

Upon graduation, students may have the opportunity to apply for entry into the Qantas Group Future Pilot Program. Please refer to the Qantas website for entry requirements.

Further study options

Study a Graduate Certificate, Graduate Diploma or Master of Aviation (Aviation Management).

Notes for international students

1. Please contact the USQ International Team for 2021 Toowoomba campus availability.
2. Students intending to undertake the Flight Operations major will be required to co-enrol with a specified flight training school. Please contact USQ for further information on the application process.

   Employers from certain countries and airlines may require an Australian Commercial Pilot Licence to be converted or transferred, and may prescribe other requirements or qualifications as necessary. While this is not an admission requirement to the program, students planning to undertake the Flight Operations major will have to hold a Class 1 Medical Certificate issued by the Civil Aviation Safety Authority, as this is one of the regulatory requirements to hold a Commercial Pilot Licence. In addition, students in the Flight Operations major are expected to complete recognised pilot aptitude assessment and interview prior to being allowed to undertake the Flight Operations major. Appropriate advice will be provided to students during their first academic year.

Graduate Diploma of Business

February, July, November

Toowoomba, Springfield, Online

1 years or part-time equivalent | 8 units

CRICOS: 089180M

Entry requirements

- A three-year bachelor degree in a business-related field from a recognised institution, or equivalent.
- An English proficiency level tested in the last two years at an IELTS of 6.5 (no band less than 6.0), or equivalent.

Degree overview

Extend your knowledge in the area of business and take your career to the next level. The Graduate Diploma of Business provides you with the opportunity to develop the required skills. With a wide range of specialisations, you can choose two specialisations to suit your career goals.

Specialisations[1]	Study mode
Big Data and Visualisation	T, S, O
Business Administration	T, S, O
Business Leadership	O
Crisis Management	O
Digital Marketing Analytics	T, S, O
Digital Transformation	T, S, O
Emergency and Disaster Communication	O
Enterprise Leadership	O
Finance	T, S, O
Finance and Wealth Management	T, S, O
General[2]	T, S, O
Global Business Management	S, O
International Business	O
NDIS Studies	T, S, O
Professional Communication	S, O
Project Management	S, O
Strategic Human Resource Management	O
Strategic Marketing	O
Sustainable Business	O

Professional accreditation

USQ is registered with the Project Management Institute (PMI)® as a Global Registered Education Provider (R.E.P.). A study of project management at USQ earns professional development units towards certification with PMI including towards the Project Management Professional (PMP)®.

PMI and Project Management Professional (PMP) are registered marks of the Project Management Institute, Inc.

Further study options

Study a Master of Project Management to advance your management skills.[3]

Notes for international students

1. Some courses may have pre-requisites.
2. To discuss which courses to study for the General specialisation,please contact USQ.
3. Students who have completed the Graduate Diploma of Business are not eligible to enter the Master of Project Management until they satisfy the required minimum of two years' full-time relevant professional work experience in business.

T = Toowoomba S = Springfield
I = Ipswich O = Online E = External

Master of Project Management

February, July, November

Springfield, Online

1.5 years or part-time equivalent | 12 units

CRICOS: 085606M

Entry requirements

- A three-year bachelor degree from a recognised institution, or equivalent.
- A minimum of 2 years' professional work experience in business.
- An English proficiency level tested in the last two years at an IELTS of 6.5 (no band less than 6.0), or equivalent.

Degree overview

USQ's Master of Project Management is designed to develop your skills and knowledge needed to plan, schedule, implement and lead complex projects. You can personalise the degree by selecting a specialisation that matters to your career. You will learn from our experienced lecturers and leading industry practitioners. Become competitive in the Project Management workplace.

Specialisation	Study mode
Emergency and Disaster Communication	S, O
General[1]	S, O
Project Leadership	S, O
Research	S, O

Professional accreditation

USQ is a global Registered Education Provider (R.E.P.) accredited by the US-based Project Management Institute (PMI)®. Completion of project management courses and programs at USQ earns professional development units (PDUs) as evidence of professional development and credit towards PMI's Continuing Certification Requirements (CCR) program.

PMI, PMP and Project Management Professional (PMP) are registered marks of the Project Management Institute, Inc. The Master of Project Management is endorsed by the Australian Institute of Project Management (AIPM).

Further study options

Study a Master of Business (Research) or a Doctor of Business Administration to advance your knowledge and research skills.

Notes for international students

1. To discuss which courses to study for the General specialisation, please contact USQ.

Engineering

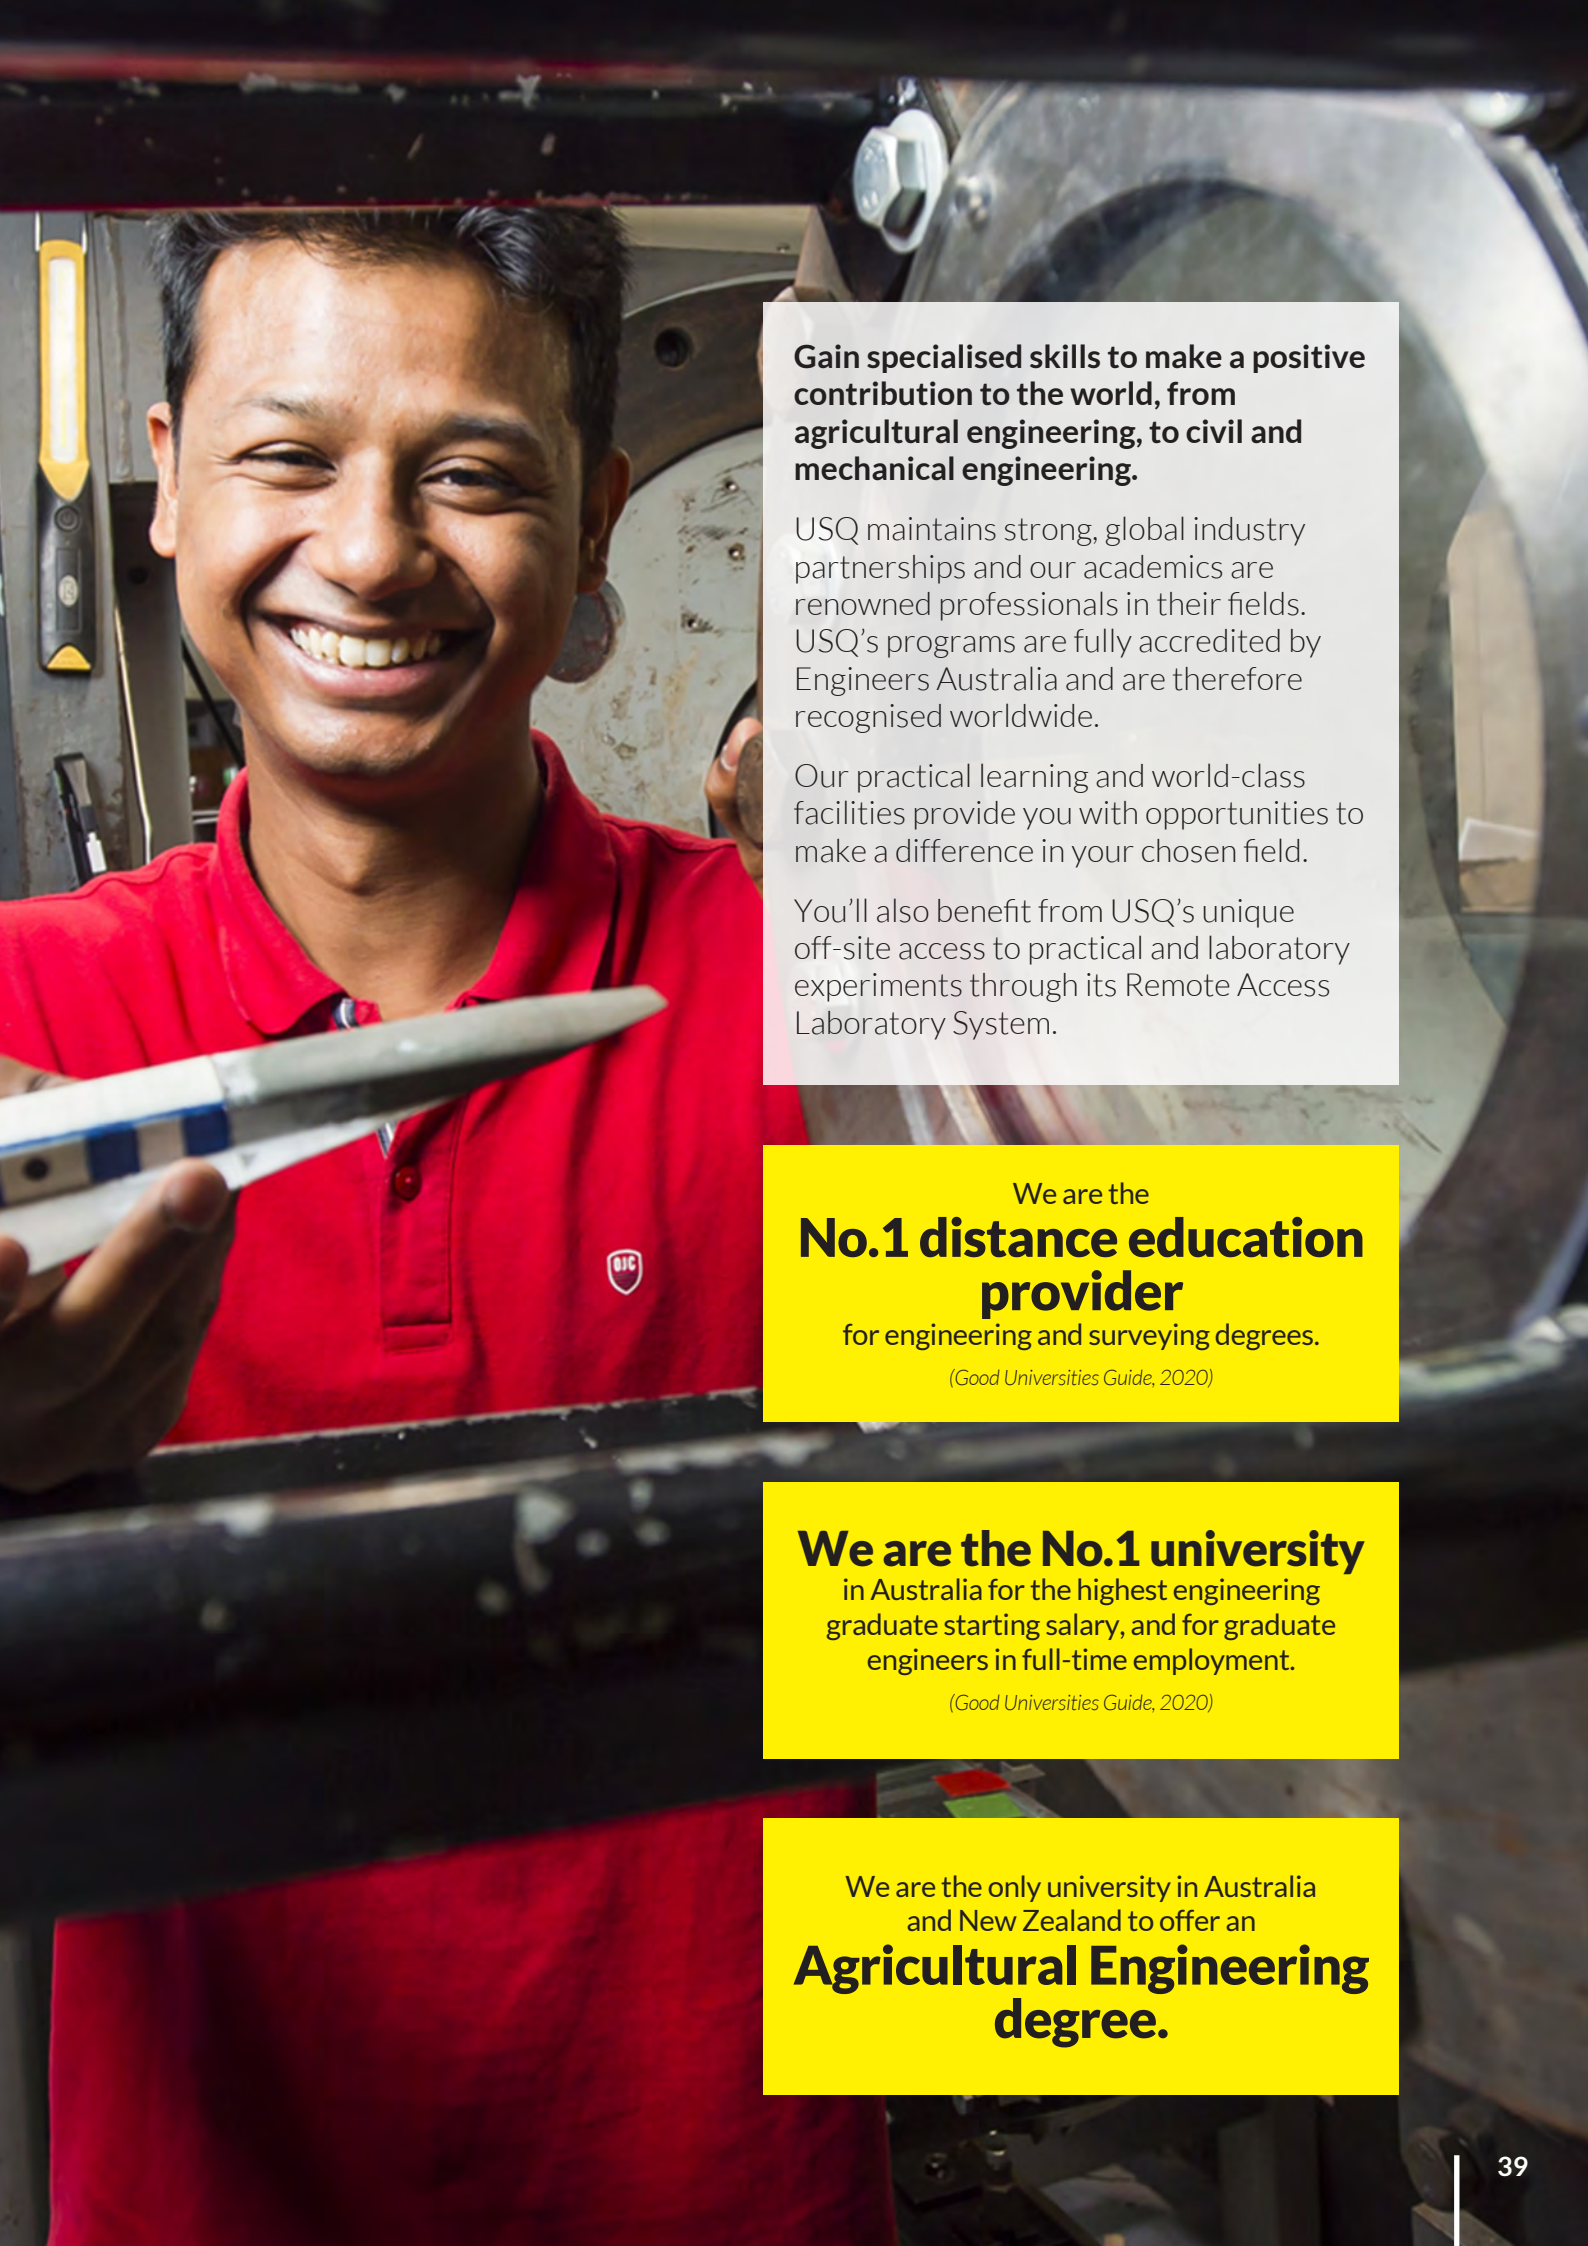

Featured programs:

Bachelor of Engineering (Honours)

Master of Engineering Science

Join USQ on a journey of
discovery and academic excellence.

Gain specialised skills to make a positive contribution to the world, from agricultural engineering, to civil and mechanical engineering.

USQ maintains strong, global industry partnerships and our academics are renowned professionals in their fields. USQ's programs are fully accredited by Engineers Australia and are therefore recognised worldwide.

Our practical learning and world-class facilities provide you with opportunities to make a difference in your chosen field.

You'll also benefit from USQ's unique off-site access to practical and laboratory experiments through its Remote Access Laboratory System.

We are the

No.1 distance education provider

for engineering and surveying degrees.

(Good Universities Guide, 2020)

We are the No.1 university

in Australia for the highest engineering graduate starting salary, and for graduate engineers in full-time employment.

(Good Universities Guide, 2020)

We are the only university in Australia and New Zealand to offer an

Agricultural Engineering degree.

Bachelor of Engineering (Honours)

February, July

Toowoomba, Springfield, External[3]

4 years or part-time equivalent | 32 units

CRICOS: 079519E

Entry requirements

- Your country's equivalent of the completion of Queensland high school level (Years 11 and 12), including the study of Mathematics B, or equivalent.
- An English proficiency level tested in the last two years at an IELTS of 6.0 (no band less than 5.5).

Degree overview

Choose from a wide variety of majors and develop your skills, knowledge and experience to solve today's challenges with USQ's Bachelor of Engineering (Honours).

This degree provides you with the opportunity to apply your knowledge through practical work experience and includes an exciting final year research project to give you industry experience.

Majors	Study mode
Agricultural Engineering	T, E
Civil Engineering	T, S, E[1]
Computer Systems Engineering	T, E
Electrical and Electronic Engineering	T, S, E[1]
Environmental Engineering	T, E
Instrumentation Control and Automation Engineering	E[2]
Mechanical Engineering	T, S, E[1]
Mechatronic Engineering	T, S, E[1]
Power Engineering	T, E

Graduates will be eligible to apply for membership with Engineers Australia as a graduate Professional Engineer. With the experience you will gain from working in the field, you may apply for chartered status as a Professional Engineer. You will also have the opportunity to work overseas, with your accreditation recognised in those countries that are signatories to the Washington Accord.

Further study options

Study a Master of Engineering Science to advance your knowledge and skills and increase your employment options.

Notes for international students

1. Majors available on-campus at USQ Springfield are Civil Engineering, Electrical and Electronic Engineering, Mechanical Engineering and Mechatronic Engineering.
2. The Instrumentation Control and Automation Engineering major is only available via external study.
3. Students who choose to study externally will need to attend Residential School in Australia once or twice per year for your practical skills to be assessed. Residential School also gives you the chance to meet and engage with your lecturers, tutors and fellow classmates.

T = Toowoomba S = Springfield I = Ipswich O = Online E = External

Master of Engineering Science

February, July, November

Toowoomba, External

2 years or part-time equivalent | 16 units

CRICOS: 067689G

Entry requirements

— A three or four-year bachelor degree from a recognised institution, or equivalent.
— An English proficiency level tested in the last two years at an IELTS of 6.5 (no band less than 6.0), or equivalent.

Degree overview

Gain industry experience and become a professional engineer with USQ's Master of Engineering Science.

This degree allows graduates of a three-year engineering degree to obtain practical laboratory and industry experience to prepare you for a successful engineering career. Our degree also provides you with the opportunity to conduct a research project to address a current challenge.

Specialisations	Study mode
Agricultural Engineering	T, E
Civil Engineering	T, E
Electrical and Electronic Engineering	T, E
Engineering Management and Enterprise	T, E
Environmental Engineering	T, E
Mechanical Engineering	T, E
Power Engineering	T, E
Structural Engineering	T, E

Agricultural Engineering, Civil Engineering, Electrical and Electronic Engineering, Environmental Engineering, Mechanical Engineering, Power Engineering and Structural Engineering specialisations have received full accreditation at the level of Professional Engineer by Engineers Australia and graduates are eligible for Graduate membership at the Professional level.

Further study options

Study a Master of Engineering (Research) or a Doctor of Philosophy to advance your knowledge and research skills.

Notes for international students

For all modes of study there are mandatory practical components which require either on-campus participation or Residential School attendance.

Science

Featured programs:

Bachelor of Science

Master of Science

Combined with the expertise offered by USQ's science research centres, you'll have access to industry experts and opportunities to contribute to a growing scientific community.

Whether it's the night sky that piques your interest, environmental sustainability, or the study of the climate, USQ science will take you on a journey of discovery and academic excellence.

USQ has four science research centres (Crop Health, Health Sciences, Computation Engineering and Science, and Applied Climate Sciences) that offer you opportunities to practice what you have learned.

Plus, we maintain strong connections with science and engineering communities to ensure you have access to experts to help you advance your career.

We are ranked
above world standard
in Astronomical and Space Sciences research.
(Excellence in Research for Australia report, 2018–19)

We scored 5 Stars
for science graduate starting salary, learning resources, and student support.
(Good Universities Guide, 2020)

Our $6 million Mt Kent Observatory
helps discover planets
for NASA's exoplanet program.

Bachelor of Science

February, July, November

Toowoomba, Ipswich, External[7]

3 years or part-time equivalent | 24 units

CRICOS: 042230E

Entry requirements

- Your country's equivalent of the completion of Queensland high school level (Years 11 and 12), including the study of Mathematics A or Mathematics B, and a Science.
- An English proficiency level tested in the last two years at an IELTS of 6.0 (no band less than 5.5).

Degree overview

Develop your curious mind and learn to contribute to scientific developments with USQ's Bachelor of Science.

This degree allows you to develop your analytical and problem-solving skills and immerse yourself in your chosen scientific field. USQ's academics work to prepare you to be an independent thinker for you to have a successful career in the sciences.

Majors	Study mode
Animal Science	T, E [1,7]
Astronomical and Space Sciences	E [2,4,7]
Biology	T, E [7]
Counselling	E [4,7]
Computing	T, E [5,7]
Environment and Sustainability	T, O [5]
Food Science	T, O
Human Physiology	E [7]
Information Technology	T, E [5,7]

Entry requirements

— Your country's equivalent of the completion of Queensland high school level (Years 11 and 12), or equivalent.

— Elementary ELICOS: An English proficiency level tested in the last two years at an IELTS of 3.5 (no band less than 3.5).

OR

— Pre-Intermediate ELICOS: An English proficiency level tested in the last two years at an IELTS of 4.0 (no band less than 4.0).

OR

— Intermediate ELICOS: An English proficiency level tested in the last two years at an IELTS of 4.5 (no band less than 4.5).

Overview

USQ offers three levels of General English ELICOS programs: Elementary ELICOS, Pre-Intermediate ELICOS and Intermediate ELICOS. Students are placed in an appropriate level to suit their current English abilities. USQ's academics work with students to improve their English proficiency and use a combination of assignments and exams to measure improvements.

Professional accreditation

USQ's ELICOS program is endorsed by the National ELT Accreditation Scheme.

Further study options

Study English for Academic Purposes at USQ and, once successfully completed, progress to study a USQ degree to suit the career you want. To select the best degree for you, consult USQ's International Team or a USQ approved education agent.

Notes for international students

Students are required to provide evidence of their English language proficiency on an internationally recognised test of English prior to arrival. On arrival students will then be tested using the USQ placement test to determine allocation to either Level 1, 2 or 3. Students with an IELTS score below 3.5 will not be accepted into the ELICOS program.

Find out more.

Talk to one of our experts about your study at USQ. Live Chat is available at **usq.edu.au/international**

How to apply

Find your degree 1

- Choose your desired degree to study at USQ and the options to study online or on-campus at **usq.edu.au/study**
- Consider your future career goals by looking at industry trends. Discover the study areas that suit your career aspiration, and interest at **usq.edu.au/career-explorer**
- Join our research intensive regional university and study a research degree. Explore available research topics at fyrt.usq.edu.au, and find a research supervisor for your chosen field of interest at **expertfinder.usq.edu.au**

Find a USQ Education Agent 2

- You can contact one of our approved agents to guide you through the application process. You can find a USQ agent in your region at **usq.edu.au/agents-partners**
- Our agents provide:
  - advice on your study plans
  - advice on applying to USQ
  - document certification
  - assistance with any pre-departure arrangements
  - assistance with your visa requirements (where available).

Remember, if you need any help, visit **usq.edu.au/international/apply**

Check the entry requirements 3

- Find the specific entry requirements for your degree at **usq.edu.au/international/entry-requirements**
- Check that you meet our English language requirements at **usq.edu.au/international/english**
- If you are considering a research degree, check the application steps at **usq.edu.au/research**

Collect and certify your documents 4

- To support your application to study, you will also need to submit certified copies of:
  - identity documents (Passport)
  - evidence of your English language proficiency
  - senior high school (A levels / Year 12) certificate and academic transcripts
  - all post-secondary study certificates and academic transcripts (if any)
  - evidence of work experience.

Apply 5

— You can submit your application via USQ's online application system at **usq.edu.au/international/apply** or through a USQ approved agent.

Accept your offer 6

— Once you have received your Letter of Offer, you will need to return your signed Acceptance Offer form.

Along with your Acceptance Offer, you will need to provide payment of your initial deposit fees and any supporting documents outlined in your Letter of Offer.

Important information 7

— Learn more about the Australian Government's Education Services for Overseas Students (ESOS) framework and how quality is assured at USQ by visiting **internationaleducation.gov.au**

— Find out more about studying, working and living in Australia at **studyinaustralia.gov.au**

— If you're a holder of a student visa, you will require Overseas Student Health Cover (OSHC).

— Check streamlined study visa processing requirements at **homeaffairs.gov.au**

UNIVERSITY OF SOUTHERN QUEENSLAND
International Student Admission Application form

1. Personal Details

Have you previously enrolled at USQ? ☐ No ☐ Yes *If yes, please provide your student number* _____

Title (Mr, Mrs, Miss etc)	Family Name (as per passport)	Given Name/s
Date of Birth (dd/mm/yyyy)	Gender (Male/Female/Other)	Email Address
Citizenship	Country of Birth	Passport Number

Address Information

Address in Home Country Number and Street		**Mailing Address** ☐ Same as home address Number and Street	
City		City	
State		State	
Country	Zip/Postcode	Country	Zip/Postcode
Length of Residence		Length of Residence	
Phone		Phone	

If you are currently in Australia please attach a copy of your current visa, relevant COE and the date you arrived in Australia: ___/ /_____

Do you have a disability, impairment or long-term medical condition which may affect your studies? ☐ No ☐ Yes

If yes, please specify _____

2. Preferred Study Location / Mode *(Please note that not all academic programs are available at all campuses)*

☐ Toowoomba ☐ Springfield ☐ Ipswich ☐ Online/External ☐ USQ Education Partner

USQ Agent / Education Partner

3. Your Academic Selection (Please list your first and second choice)

Program Code (eg. BBCM)	Program Name (eg. Bachelor of Business and Commerce)	Major/Specialisation (eg. Marketing)	Semester Start (eg. 1, 2 or 3*)	Start Year

**Not all academic programs are available for commencement every semester. Please refer to the USQ Handbook for detailed program information.*

4. Academic Qualifications

Please include all secondary and post-secondary programs in which you have been enrolled, along with certified copies of full official academic transcripts and award certificates.

Name of Qualification	Start Date	Completion Date	School or Institution	Country	Language of Instruction

Do you wish to apply for credits for previous study undertaken? ☐ No ☐ Yes

If yes, please ensure to provide certified copies of your transcripts with a comprehensive syllabus which details course descriptions, learning hours and assessment methods for each relevant unit that you wish to gain credit for.

Have you been excluded, or are liable for exclusion from another tertiary institution in relation to a previous enrolment? ☐ No ☐ Yes

If yes, please provide details (institution and exclusion dates, etc.).

5. English Language Proficiency

Is English your first language? ☐ No ☐ Yes

If yes, please move to section 6

Have you undertaken any of the following English tests?

☐ TOEFL ☐ IELTS ☐ PTE ☐ Other – Please specify _____

Please ensure to provide a certified copy of any test results received.

Do you wish to study an English program before commencing your program? ☐ No ☐ Yes

6. Employment Experience

Some programs (refer to the USQ Handbook) will require evidence of employment experience to be provided.

This is also a requirement if you are applying to study on-campus. Where applicable please ensure to attach a detailed Curriculum Vitae (CV)/Resume with letters of reference or other relevant documentary evidence of your employment experience.

Start Date	Finish Date	Occupation Title	Main Tasks or Duties	Name of Employer

SECTION 7 – 11 TO BE COMPLETED BY ON-CAMPUS APPLICANTS ONLY

7. Immigration History

Have you or your partner ever had a visa application rejected (from any country) ☐ No ☐ Yes

If yes, please provide the country, date of rejection and reason (copy of refusal letter to be attached)

8. Relevant Qualification and Future Expectation for the Proposed Program

Does the program advance and directly relate to your previous studies/work experience?

Please explain in detail your reason to study the proposed program:

What is your future plan and what benefit will this program be to you in the future? ☐ No ☐ Yes

9. Study Gap

Please explain all gaps in your history of study and/or work experience (including how long and why):

10. Dependant Background

Are you married? ☐ No ☐ Yes

*If yes, please state date of marriage*____/___/_____

Are you and your spouse living together? ☐ No ☐ Yes

Is your spouse currently employed ☐ No ☐ Yes

Do you have any children? ☐ No ☐ Yes

If yes, please list number of children _____ *list the children (s) ages* _____

Will your spouse and/or children join you as dependants in Australia ☐ No ☐ Yes

11. Finances

Have you researched studying in Australia before applying to USQ? ☐ No ☐ Yes

How do you intend to pay for your tuition fees? *(Please note that USQ Scholarships are generally NOT available to new students)*

How do you intend to pay for your cost of living and general expenses whilst studying with USQ in Australia?
(Please indicate specific amount you have allocated for this):

Please indicate where you intend to live whilst studying with USQ, if accepted:

Do you intend to live with friends/family already residing in Australia? If so, who?

If you intend to be a sponsored student, then who is expected to pay for your tuition costs and living expenses:

12. How Did You Hear About USQ?

☐ Recommended by friend/relative ☐ Exhibition/Seminar ☐ IDP Education Australia

☐ I met a USQ representative ☐ Internet/Social Media ☐ Newspaper

☐ Magazine ☐ Other *(please specify)* _____

13. Terms and Conditions

I declare that the information supplied by me in this form and relevant attachments are true and correct. I understand that the University may vary or terminate its offer of a place at USQ or any subsequent agreement regarding study at USQ if any of the information provided by me is shown to be incorrect. I have read and accept the University's fees, charges and refund policy (https://policy.usq.edu.au/documents/13431PL). I understand that there are limited places available and that early submission of this application will give me a better chance of obtaining a place in the program of my choice. I am aware of the applicable tuition fees and understand that I do not have to pay until I return the Acceptance of Offer Form included in the letter of offer from the University. USQ collects personal information for university purposes of providing tertiary education and related ancillary services and associated functions pursuant to the University of Southern Queensland Act 1998 and the information on this form for the purposes of assessing your application and if applicable, processing your enrolment. USQ collects this information in accordance with the Commonwealth Higher Education Funding Act 1988, Higher Education Support Act 2003, the Education Services for Overseas Students Act 2000 (ESOS Act), ESOS Regulations 2001 and the National Code of Practice for Providers of Education and Training to Overseas Students 2018. Where relevant USQ may give all or some of this information to other education providers to administer cross institution enrolments; Commonwealth and state government departments, agencies or their authorised agents or contracted service providers and to USQ approved Representatives (agents and partners) and to other organisations (including international entities) who provide sponsorship or funding for your studies to seek verification of information or provide information regarding your studies (and visas and overseas student health cover if applicable) or to enable surveys concerning your education to be undertaken, and other students enrolled in the same courses as you or as may be required by a Faculty to facilitate USQ's provision of tertiary education services to you and other students including in the future. Other than as set out above, personal information will not be disclosed without your consent unless required or authorised by law. Please refer to USQ's Privacy Policy and USQ's Privacy Plan. To facilitate USQ's provision of tertiary education and related ancillary services and associated functions, you acknowledge and consent to the disclosures set out above and to the transfer of your personal information outside of Australia and communication via any available electronic means. In handling any personal information disclosed to you by the university, you agree to use this information for purposes of your study at USQ only and to abide by USQ's ICT Information Management and Security Policy and the ICT Standard for Use of ICT Resources Policy.

Signature_____ Date___/___/_____

14. Lodging Your Application

To ensure your application is processed without delay, please attach certified colour photocopies of academic transcripts and certificates (i.e. signed by a teacher, lawyer, your local USQ representative or other person in authority).

If your documents are not in English, please attach certified English translated versions of your documents. Do not send original documents. Failure to include attachments may delay the processing of your application.

Please note: USQ does not charge an application fee. Lodge this application with your local USQ Agent or USQ Education Partner or, if none, email/fax direct to USQ International Admissions.
