How to apply 32

# Learn from experts.

# Then become one.

### Learn from the best

Hear from leaders in your future field. At La Trobe, you'll get up-to-the-minute knowledge, skills and advice from teachers who are industry experts. Guest lecturers give you exclusive insights into the careers you'll enter, and our researchers will show you how they're shaping the future. When you learn, it'll be with the latest technologies, so you're ready to use them in your career.

### Get the career you want

Launch your career right here at La Trobe. Our wide-ranging partnerships offer you professional networks and opportunities so you can build the work skills you need to succeed. Placement opportunities enable you to create contacts in your industry, adapt to different workplaces and build your resume before you graduate. We teach you the skills employers want, to help you step straight into your first career and beyond.

### Build all your skills

Great thinkers consider problems from every angle. At La Trobe, you'll develop every part of your skillset. You'll bring together diverse topics and fields to build all areas of your technical knowledge. And we don't forget about the human skills you'll need in any workplace, like innovation, leadership, critical thinking, creativity, communication and adaptability. You'll learn in the classroom, in the workplace and in the field. Graduate ready to think critically, analytically and creatively to solve real problems and tackle the major issues of our time.

**Disclaimer:** Every effort has been made to ensure the information contained in this publication is accurate and current at the date of printing. For the most up-to-date information, please refer to the La Trobe University website ([latrobe.edu.au](http://latrobe.edu.au)) before lodging your application.

# Ten reasons to choose La Trobe

When you choose La Trobe, you'll learn with expert teachers and the latest technology at your fingertips. You'll get an experience that sets you up for life with practical skills and industry connections. You'll graduate with more than a degree. Here are ten reasons to choose La Trobe.

## One of the world's best universities

Our academics are renowned for their teaching innovation and research into issues that matter. We're in the top one per cent of the world's universities<sup>1</sup> and are one of the best 50 universities in the Asia-Pacific region.<sup>2</sup> We've even been ranked in the world's top 400 universities by the three major independent rankings agencies.<sup>3</sup>

We've also received five stars overall in the QS Star ratings, as well as the highest possible number of individual five-star ratings in categories covering teaching, employability, research, internationalisation, facilities, innovation, inclusiveness and our sports-related subjects.<sup>4</sup>

## A career-focused education

You'll prepare for the jobs waiting for you in courses we've co-designed with industry, including through our Industry Course Advisory Committees, which include members representing companies like Telstra. Learn using software and equipment you'll find in your future workplace. Hear guest lectures from industry leaders sharing expertise and insights. Build work-ready skills with opportunities for work-based learning and placements in Australia and overseas. Our Accelerator Program could even help you turn your business idea into a reality.

What's more, we design courses for tomorrow's careers, like our Digital Transformation degrees studying the fields that have been transformed by technological innovation.

## Support for success

Get all the help you need to enjoy Australian life and find academic success. Before you leave home, our team offers pre-departure advice. While you study, you can make confidential appointments with our International Student Services team to discuss any problems you may face. Our generous scholarships can assist you financially and reward your academic achievements. And we offer a huge range of study support and ways you can connect with other students.

Will you be a sponsored student? We offer specialised assistance for you and your sponsor. Our Sponsored Programs team will answer your questions, work with other teams on your behalf and connect you to our variety of support services.

## Study in a diverse, friendly and safe environment

You'll feel at home from your first day at La Trobe. Our welcoming culture at all our campuses includes services like personal support, counselling and multi-faith facilities including chaplaincy and Muslim prayer rooms. Our commitment to your safety includes an on-call Uni-Safe service escorting students and staff after dark. We also offer support for people with disabilities.

And no matter what you're interested in, you'll be able to find a social group for you among more than 100 student clubs and societies. Many of these groups also hold careers nights and professional networking events.

## Expertise in every discipline

Sport subjects in the world's top 50.<sup>5</sup> Nursing subjects in the world's top 100.<sup>6</sup> A business school that's been accredited by the AACSB – an achievement reached by less than five per cent of the world's business schools. And staff with first-hand experience in how technology is reshaping industries around the world.

At La Trobe, our staff are industry experts and world-leading researchers who bring their passion to your teaching, no matter what field you study. You won't just learn the facts. You'll understand the practical issues shaping your discipline, so when you graduate, you'll be ready to tackle any challenge.

# Ten reasons to choose La Trobe

## The Australian experience

Want to enjoy a uniquely Australian study experience? Immerse yourself in Australia's major cities at our metropolitan campuses or benefit from our connections to community at our regional campuses. Studying in our regions also gives you access to unique rewards. If you're an eligible undergraduate student, this includes a guaranteed Work Integrated Learning opportunity and a grant to study overseas. Graduates from regional campuses can also access the chance for additional post-study work rights.

No matter where you study, you'll have access to world-class facilities and our entire library of resources. You'll also become a part of Australia's friendly, multicultural society and be able to connect with cultural communities from around the world.

## An exclusive Student Excellence Academy

Our Student Excellence Academy recognises your achievements both in and out of class. If you're a high-achieving sportsperson, entrepreneur, community contributor, student or creative, you could be eligible to join the program. As a member, you'll have access to exciting opportunities like priority access to industry mentoring and work placements, tailored career support, insights from community and industry leaders, lunch with the Vice-Chancellor and the chance to represent La Trobe at national and international events. Our website has all the details: [latrobe.edu.au/int-excellence](http://latrobe.edu.au/int-excellence)

## You can change the world

Our research centres tackle some of the biggest challenges of our time, and our world-class equipment and facilities help our researchers change the world. Want to join us? You can be part of a university that's top-rated nationally and rated well above world standard in 23 fields of research<sup>7</sup>, and ranked fourth in the world for global impact.<sup>8</sup>

But it's not just about rankings. Projects like our A\$75 million initiative to be zero-emissions by 2029 reflect our dedication to our environment. And the research at the Wildlife Sanctuary at our Melbourne Campus is protecting the future of Australian wildlife while giving you the chance to see our native creatures in person.

## Modern facilities and accommodation

You'll study in world-class learning spaces with the equipment and systems you'll use in your career: a world-class Sports Park, cybersecurity labs, a simulation trading floor and fully operational health clinics, to name a few. As we work towards our University City of the Future, we're constantly transforming our facilities.

You'll also have access to a wide range of on-campus and off-campus living options. We offer modern and accessible accommodation, including newly built accommodation at our Melbourne Campus. Whether you're a single student or coming with your family, we can help you find accommodation to suit your specific needs. Find out more: [latrobe.edu.au/int-accommodation](http://latrobe.edu.au/int-accommodation)

## Pathways to study

Need extra preparation before you can start your degree? You may be eligible for an academic or English language pathway program into a La Trobe course. We offer programs through our on-campus provider La Trobe College Australia (LTCA), and we also accept students through a variety of pathway providers. Find out more on page 15.

If you're already studying a degree in your home country, you can experience La Trobe as part of our study abroad and incoming exchange programs. Study with us for up to two semesters and get a taste of Australian life while gaining credit towards your degree. Or, if you study a full degree at La Trobe, you could visit one of our international partners on exchange. Find more information, including available scholarships: [latrobe.edu.au/int-exchange](http://latrobe.edu.au/int-exchange)

# Prepare for your career

Want to gain an exciting and fulfilling career once you've finished your degree? We talk to employers to make sure our courses build the skills they want. We partner with industry to give you a career-ready education. And our Career Ready Advantage program and work-based learning opportunities mean you'll graduate with experience, confidence and a career portfolio that's sure to impress.

## Career Ready Advantage

Get the skills employers are looking for with our Career Ready Advantage, designed with industry partners such as PwC, one of the world's largest professional services firms; Optus, one of Australia's three biggest telecommunications firms; and the Commonwealth Bank, Australia's largest banking organisation.

### Plenty of support

As you prepare for your future career, we'll be there every step of the way with:

- support finding work through our on-campus recruitment service, with hundreds of casual and graduate opportunities advertised every year
- industry placement opportunities with our wide network of partner organisations
- industry mentoring with our high-profile alumni and partners
- opportunities to connect with potential employers through networking events, showcases and industry panels
- free LinkedIn Learning during your degree and once you graduate, with more than 14 000 online courses to choose from
- career advice from our friendly Career Ready experts
- lifetime career support with ongoing access to online resources, workshops and networking.

## Career Ready Advantage Award

With the Career Ready Advantage Award, you'll be rewarded as you develop industry-relevant skills during your degree and outside the classroom. As you study, you can work towards a Silver, Gold or Platinum award and could access opportunities to connect with industry and develop your leadership skills.

### Develop the skills employers want

La Trobe's Career Ready Advantage expands on the technical skills you learn in your course. It helps you develop the qualities employers are looking for: passion, empathy, curiosity and resilience. You'll also build:

- **communication and literacy skills** to confidently engage, build relationships and work effectively with diverse groups of people
- **personal and professional skills** to manage yourself and others in the workplace with integrity, adaptability and emotional intelligence
- **critical thinking and research skills** to interpret data and create innovative solutions for complex problems.

### Build your Career Ready Advantage

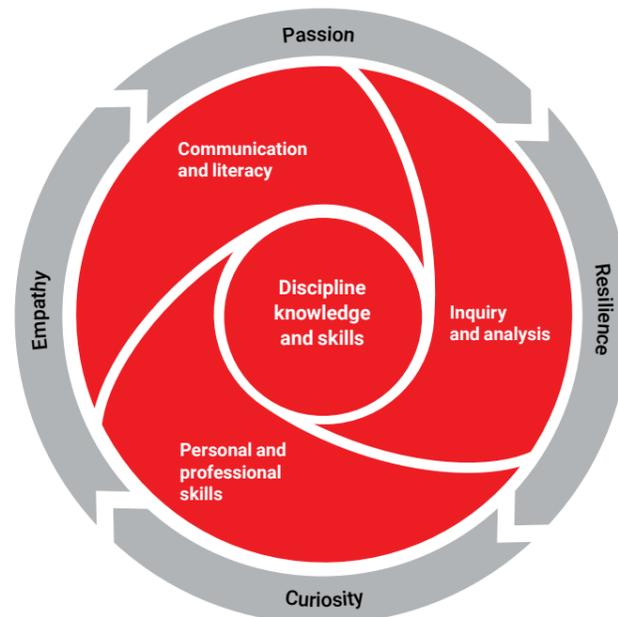

To get started, download the MyLaTrobe app or visit: [latrobe.edu.au/int-career](https://latrobe.edu.au/int-career)

## Work-based learning

You'll increase your employability while you study with the work-based learning activities we've embedded into our teaching. Depending on your course and your eligibility, you'll build first-hand industry experience through:

- guest lectures from industry experts
- real-world case studies and professional simulation activities
- industry projects guided by our staff
- field trips and study tours
- in-class activities preparing you for work, like portfolio development, interview practice and resume writing.

We also offer a wide range of work-based learning opportunities where you can build the skills and experience to set you apart from the crowd. Options for eligible students include placements, leadership programs, career workshops, overseas study and more. Find out more: [latrobe.edu.au/int-experience](https://latrobe.edu.au/int-experience)

# Be supported while you study

When you choose La Trobe, we're there for you every step of the way with advice, information and support. Our International Student Services team will help you feel at home in Australia and succeed in your studies.

## Choosing a course and applying

If you have any questions about choosing a course or the application process, contact our team. You can find our contact details on the back cover and on our website: [latrobe.edu.au/int-contact](https://latrobe.edu.au/int-contact)

## Welcoming you to La Trobe

### Pre-departure

Our *Acceptance and Pre-departure Guide* has all the information you need to accept your offer and prepare to come to Australia. We also run live webinars where you can ask questions and get practical advice.

Whatever your circumstances, we'll help you adjust to Australian life. Bringing your family? Managing a disability? Our experienced team can provide expert support: [latrobe.edu.au/int-leaving](https://latrobe.edu.au/int-leaving)

Once you've accepted your offer, we'll contact you about how to complete pre-arrival online enrolment. If you have questions along the way, we're here to support you. Find out more here: [latrobe.edu.au/int-enrol](https://latrobe.edu.au/int-enrol)

Whether you're starting your first degree or doing further study, we'll help you prepare for La Trobe life. Our online Orientation module and Achieve@Uni program have everything you need to get ready for uni: [latrobe.edu.au/int-achieve](https://latrobe.edu.au/int-achieve)

## Arrival in Australia

To help make your arrival more comfortable, we offer a free airport pick-up service for Melbourne (Bundoora) Campus and City Campus students arriving at Melbourne Airport. Travelling to another campus? Our friendly team can give you advice on getting there quickly and comfortably: [latrobe.edu.au/int-airport](https://latrobe.edu.au/int-airport)

### Checking in

When you're on campus for the first time, we welcome you in person at our international student check-in desk. This is a great chance to meet our team face-to-face, ask questions and get started. Find out more: [latrobe.edu.au/int-enrol](https://latrobe.edu.au/int-enrol)

### Orientation

Orientation is full of important sessions and social activities, so you'll need to attend it at the start of semester. You'll make new friends, learn important information about campus life and set yourself up for your time here. Learn more here: [latrobe.edu.au/int-orientation](https://latrobe.edu.au/int-orientation)

## Supporting you to graduation

### Academic support

Want to reach your full potential? Our study and academic support programs include:

- Peer Learning Advisers
- workshops and seminars
- academic progress support
- help with areas like maths, chemistry and coding
- help with English language and academic skills
- advice, support and referrals to campus services.

Find out more: [latrobe.edu.au/int-academic-support](https://latrobe.edu.au/int-academic-support)

### Personal support

Our team can help you with almost any personal issue you encounter, whether it's social, financial, cultural or anything else. You can book a confidential one-on-one appointment with the supportive and professional staff at your local international office. Learn more: [latrobe.edu.au/int-support-services](https://latrobe.edu.au/int-support-services)

### Career support

All our students have access to our leading Career Ready Advantage. Graduate with experience, confidence and a career portfolio that's sure to impress. Find out more on page 8 or head online: [latrobe.edu.au/int-career](https://latrobe.edu.au/int-career)

## Overseas study programs

Make the world your campus. Study with one of our 140 overseas study partners to help you broaden your horizons and make global connections while you gain credit towards your La Trobe degree. Learn more: [latrobe.edu.au/int-overseas](https://latrobe.edu.au/int-overseas)

## Connect with other students

There are plenty of ways to connect with on-campus and off-campus communities while you're studying with us. You'll build friendships, grow your professional networks and meet people from around the world with our social programs and cultural events. Find out more: [latrobe.edu.au/int-social](https://latrobe.edu.au/int-social)

## Always available

We'll stay connected with you for the entire time you're at La Trobe. We even have a 24-hour student support hotline where we can help you with anything you might be worried about.

Learn more: [latrobe.edu.au/int-support-services](https://latrobe.edu.au/int-support-services)

# A campus to fit every lifestyle

Our campuses showcase the best of Australia. We have seven campuses across the states of Victoria and New South Wales, in both metropolitan and regional areas. You'll be able to choose your course and lifestyle to enjoy a truly Australian experience.

When you study at one of our Melbourne campuses, you'll feel safe and supported in a city that's regularly named one of the world's most liveable cities<sup>1</sup> and is one of the world's top three student cities.<sup>2</sup> Famous for its hidden laneways, street art, superb food and wide range of cultural events, Melbourne's a popular destination for visitors from around the world.

Want to study with Australia's unique nature and culture at your doorstep? Try our regional campuses in Bendigo, Albury-Wodonga, Mildura and Shepparton. They offer strong industry connections, a relaxed lifestyle and access to a range of scholarships and incentives, as well as all the benefits of studying at La Trobe. Your commute is easy, living costs are often lower and our local partnerships make you part of the community.

Or immerse yourself in Australia's most recognisable city. Studying at our Sydney Campus offers you a diverse lifestyle, with stunning beaches, a busy calendar of cultural and sporting events and national parks full of native wildlife.

No matter which campus you choose, you'll enjoy a range of study options and be close to all the services you need. You'll get access to work-based learning and placement opportunities, as well as support to help you succeed. And you'll be part of our welcoming, multicultural community.

Find out more:  
[latrobe.edu.au/int-campuses](http://latrobe.edu.au/int-campuses)

## Melbourne Campus

Explore parkland beauty, a vibrant campus culture filled with cafes and shops, and a multi-level library at one of Australia's largest university campuses. Access leading facilities, including our new tech and business labs, the La Trobe Institute for Molecular Science, our new A\$150m Sports Park and our very own Wildlife Sanctuary.

**26 000+** students

[latrobe.edu.au/int-melbourne](http://latrobe.edu.au/int-melbourne)

1. Economist Global Liveability Ranking 2010-19.  
2. QS Best Student Cities 2019.

## City Campus

Take your postgraduate study to the city at our campus in the heart of Melbourne's business district. Move your career forward with a postgraduate course in business, health or law. You'll get a personalised study experience with modern facilities and resources.

**900+** students

Learn more:  
[latrobe.edu.au/int-city](http://latrobe.edu.au/int-city)

## Bendigo Campus

Enjoy the city and the country. Join more than 4 500 students at La Trobe's second-biggest campus and study at the region's largest provider of higher education. With the Bendigo city centre nearby, it's the perfect place to live and learn, and we've recently given the campus a A\$50 million upgrade.

**4 500+** students

Learn more:  
[latrobe.edu.au/int-bendigo](http://latrobe.edu.au/int-bendigo)

## Albury-Wodonga Campus

Enjoy a personalised learning experience with friendly staff and modern facilities. Benefit from connections with industry leaders and gain hands-on experience through work-based learning. Join a close-knit community against the backdrop of the Murray River, snowfields and historic towns, with plenty of employment, cultural and sporting opportunities.

**700+** students

Learn more:  
[latrobe.edu.au/int-aw](http://latrobe.edu.au/int-aw)

## Mildura Campus

Live, study, work and play as part of a strong arts and agricultural community, including nearby access to nature's playground at Mungo National Park and the Murray River. Our community ties include industry partnerships and placement opportunities, offering you a personalised learning experience with promising employment opportunities.

**500+** students

Learn more:  
[latrobe.edu.au/int-mildura](http://latrobe.edu.au/int-mildura)

## Shepparton Campus

Join a rich sporting and cultural community. Study in the heart of Shepparton, located in the beautiful Goulburn Valley, with high-standard teaching and study facilities. Get a personalised study experience through our connections to the local community and industry, and gain hands-on experience in industry placement opportunities.

**700+** students

Learn more:  
[latrobe.edu.au/int-shepparton](http://latrobe.edu.au/int-shepparton)

## Sydney Campus

Our A\$10 million campus puts you in the middle of the city. Based in the CBD, you'll be close to work and internship opportunities and a short walk away from Sydney's shopping spots, cafes and cultural icons. Join a friendly and supportive community and meet students from over 30 countries.

**700+** students

Learn more:  
[latrobe.edu.au/int-sydney](http://latrobe.edu.au/int-sydney)

## Studying in a regional area

The Australian Government provides additional incentives for international students who study and live in regional Australia, including Destination Australia scholarships worth up to A\$15 000 and an extension of your post-study work rights.

See page 12 for more information about scholarships, and find out more about post-study work rights here:

[immi.homeaffairs.gov.au/visas/working-in-australia/regional-migration](http://immi.homeaffairs.gov.au/visas/working-in-australia/regional-migration)

The Australian Government has announced temporary visa measures to support international students impacted by the COVID-19 pandemic. Check our website for the most recent updates:

[latrobe.edu.au/international/international-terms/online-study-faqs](http://latrobe.edu.au/international/international-terms/online-study-faqs)

# Tuition fees, living costs and scholarships

Studying overseas offers a lot of exciting opportunities. It's important you're prepared for the costs involved in investing in your future, such as tuition fees, living costs and other expenses. That's why we offer a wide range of scholarships to reward your achievements and support you while you study.

## Study costs

### Tuition fees

Tuition fees are the primary cost of studying one of our courses. They're different for every course and are based on your study load – typically 60 credit points per semester, totalling 120 credit points per year for a full-time load.

You can find indicative annual fees in this guide. These are based on an annual study load of 120 credit points, except where we indicate they're based on a different study load.

You can estimate a total cost for your course based on these indicative fees, but remember: fees can change year on year. If we do change the fees for a course, the change takes effect on 1 January the next year.

Find out more:  
[latrobe.edu.au/int-tuition](https://latrobe.edu.au/int-tuition)

### Other course costs

You may also need to pay towards other course costs, such as field trips or buying equipment. If a course requires you to pay additional costs, it will be outlined in the 'Fees and scholarships' section on our course pages:  
[latrobe.edu.au/int-courses](https://latrobe.edu.au/int-courses)

## Non-course costs

### Living costs

Thinking about life in Australia? Now's a good time to consider living costs. While your exact costs will vary depending on your budget and lifestyle, we've prepared an indicative guide to costs of living in Australia:  
[latrobe.edu.au/int-living-costs](https://latrobe.edu.au/int-living-costs)

Your costs will also vary based on where you study. For example, living on or near our regional campuses is cheaper than living near our metropolitan campuses. Our website has more information about accommodation costs around our campuses:  
[latrobe.edu.au/int-accomm-costs](https://latrobe.edu.au/int-accomm-costs)

### Student visa costs

You'll need to get and maintain a valid passport and student visa to study in Australia. If you accept a full-time study offer from us, you can use the Confirmation of Enrolment (CoE) letter we provide you to apply for a student visa. As you go through this process, you'll need to cover application costs.

During the application process, you also need to prove to the Department of Home Affairs (DHA) that you have enough money to pay for 12 months of your course fees and living costs. The DHA estimates that 12-month living costs are A\$21 041 for students or guardians, plus an additional A\$7 362 for a spouse or partner coming with you and an additional A\$3 152 per child coming with you.

For the latest information about Australian student visas and associated costs, visit the DHA website: [immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500](https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500)

### Overseas Student Health Cover (OSHC)

If you come to Australia on a student visa, you need to pay for an OSHC policy. This covers you and any dependents, and helps you stay healthy and happy while you study with us. Learn more here: [latrobe.edu.au/int-oshc](https://latrobe.edu.au/int-oshc)

## Scholarships and sponsorships

When you study at La Trobe, you invest in your future by developing the skills employers want. No matter what you're studying, our wide range of scholarships can help you make that investment.

We reward academic excellence with our La Trobe International Scholarships, which offer a reduction of up to 30 per cent on tuition fees for eligible students for the normal duration of your course. Check the eligible courses here:  
[latrobe.edu.au/int-ltis-courses](https://latrobe.edu.au/int-ltis-courses)

You could also be eligible to access other scholarships, such as:

- region-specific Vice-Chancellor Excellence Scholarships covering all tuition fees for the duration of your studies
- Destination Australia scholarships worth up to A\$15 000
- external scholarships from our partners in your region
- regional campus scholarships worth up to A\$5 000
- an Early Bird Acceptance Grant
- scholarships for postgraduate research students.

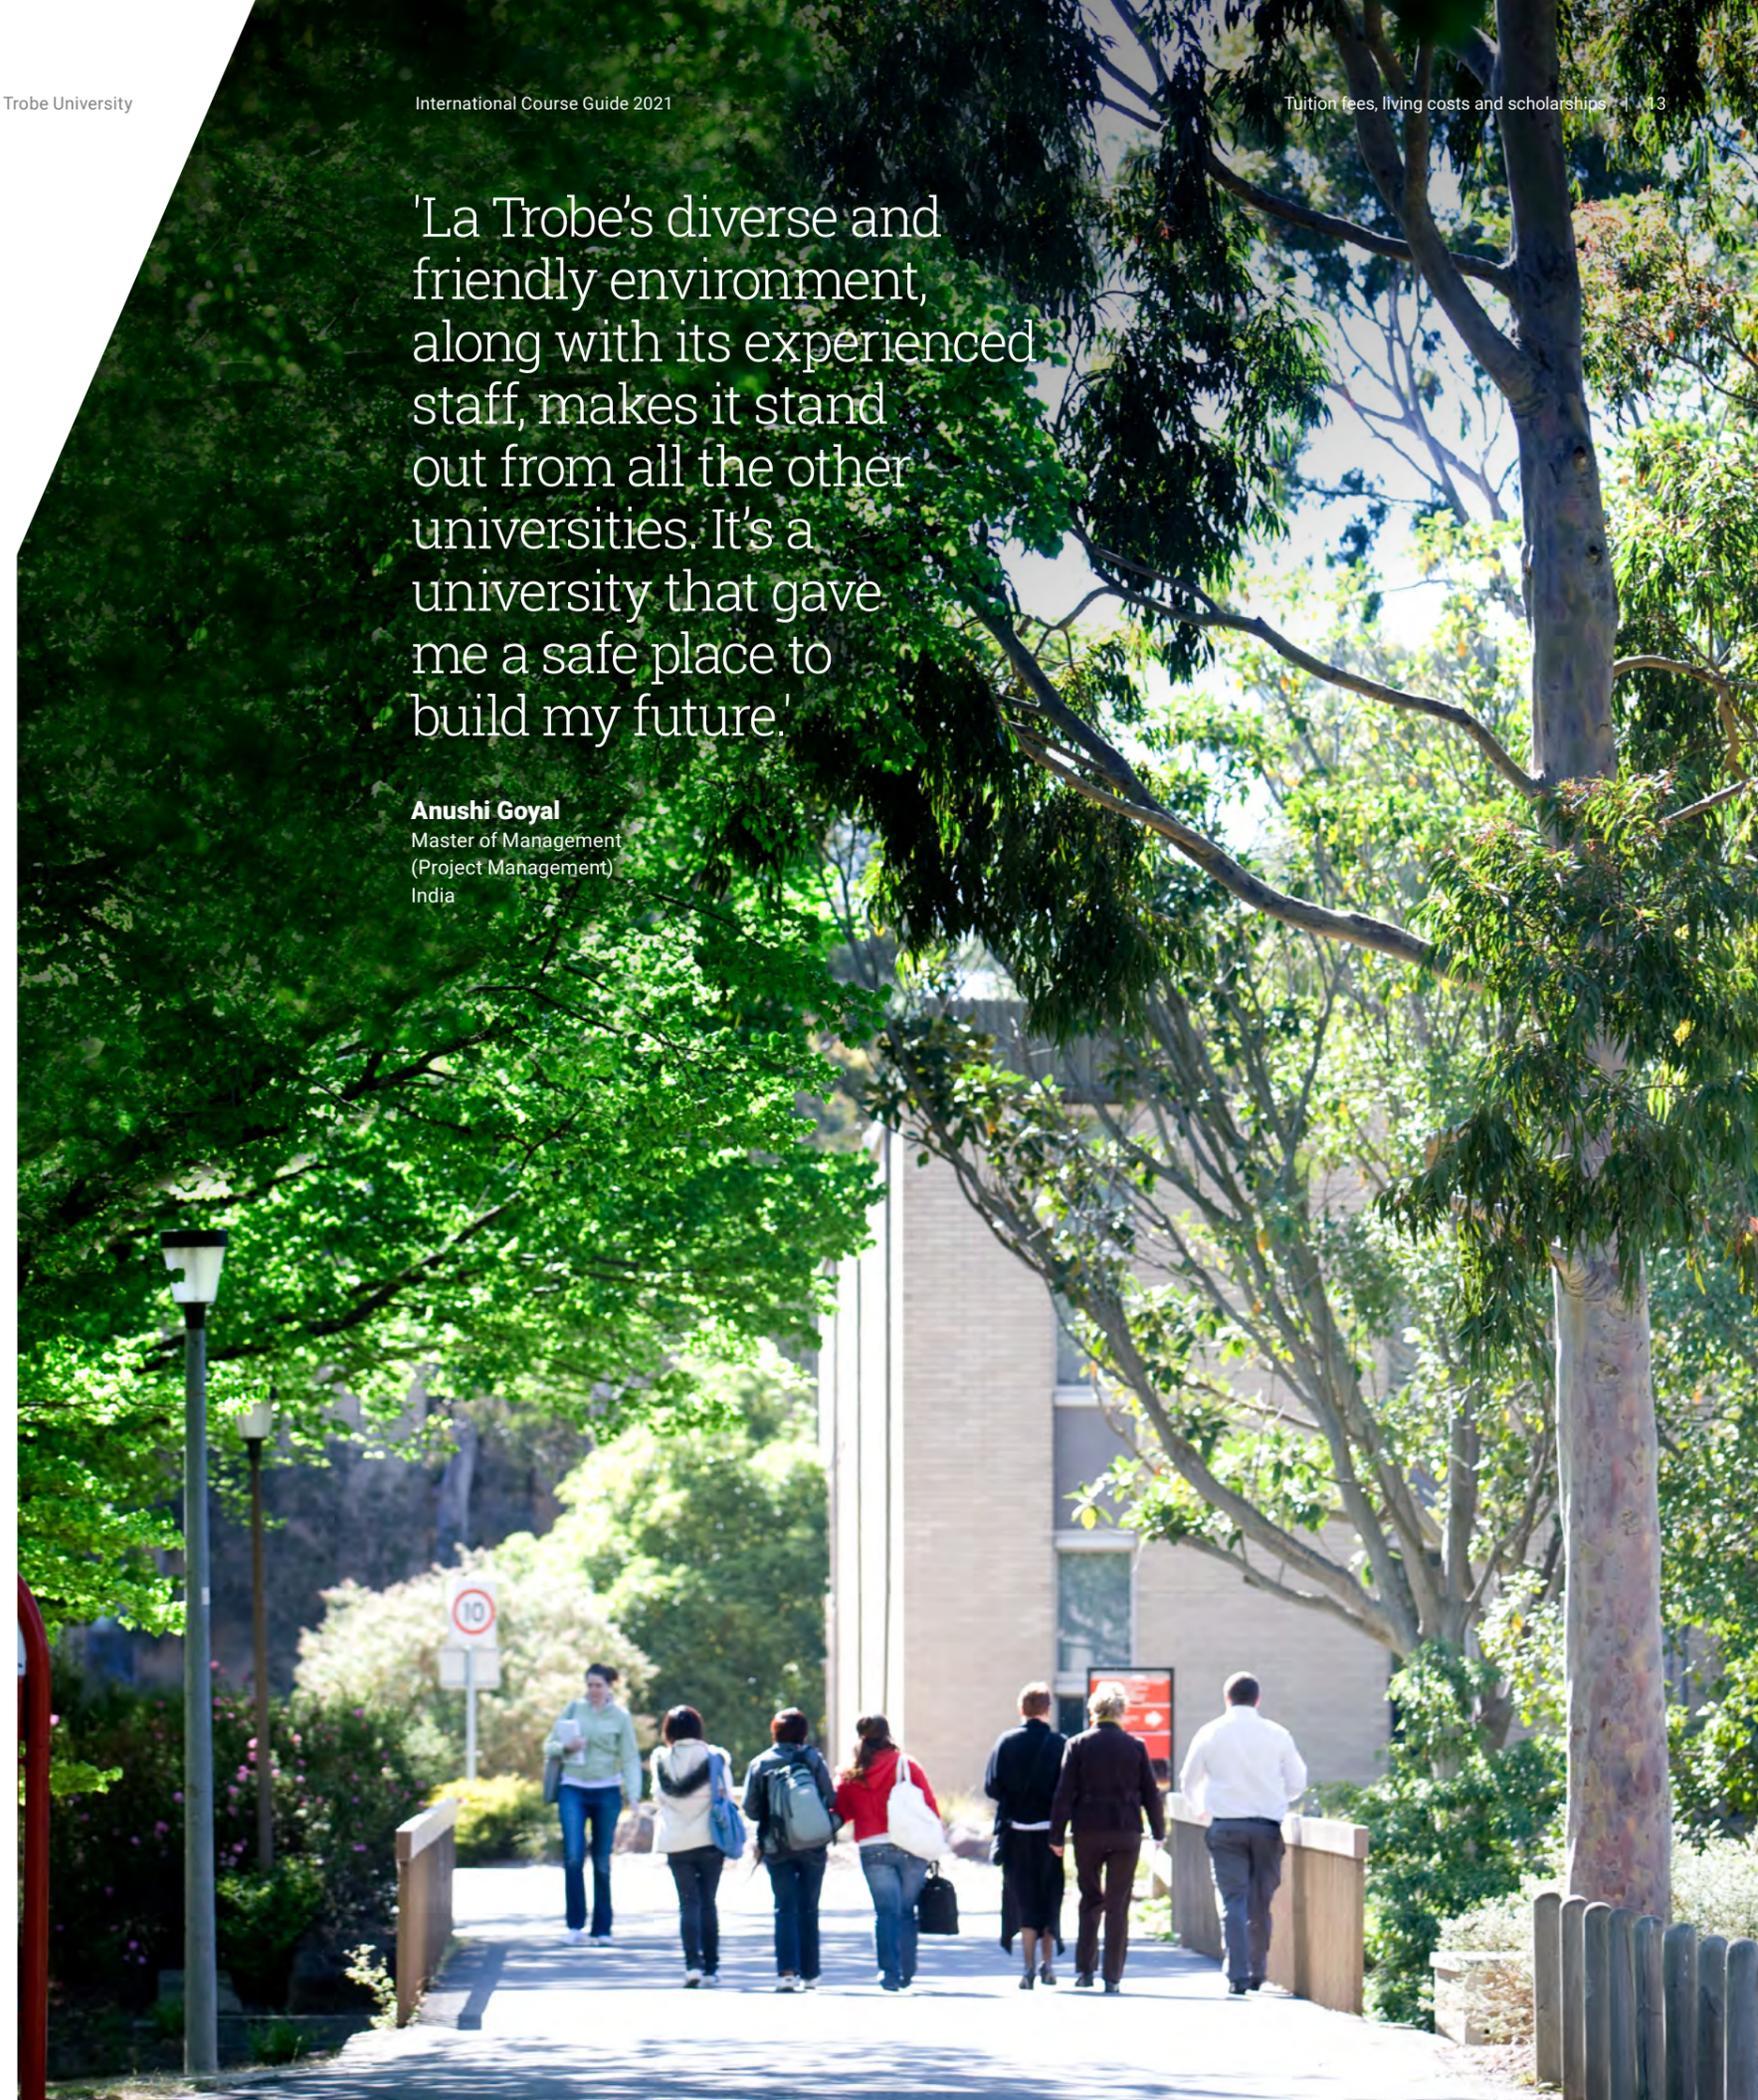

Our full range of scholarships is available here: [latrobe.edu.au/int-scholarships](https://latrobe.edu.au/int-scholarships)

As well as our scholarships, some international students can be sponsored by overseas governments, organisations or companies. Find out more here: [latrobe.edu.au/int-sponsorships](https://latrobe.edu.au/int-sponsorships)

'La Trobe's diverse and friendly environment, along with its experienced staff, makes it stand out from all the other universities. It's a university that gave me a safe place to build my future.'

# Academic and English language entry requirements

To be admitted into your course and make the most of your university experience, you'll need to meet our entry requirements. Here's how to find out more about these important aspects of studying at La Trobe.

## Academic requirements

We have minimum academic entry requirements for our courses, which are listed here. You can also find more information about our academic requirements here:

[latrobe.edu.au/int-academic](http://latrobe.edu.au/int-academic)

## Undergraduate and postgraduate coursework

Applying for an undergraduate course? You'll need qualifications equivalent to an Australian Year 12 Senior Secondary Certificate. Some courses also need you to demonstrate prior knowledge of particular subjects.

Applying for a postgraduate course? At a minimum you'll need to have:

- an Australian Bachelor's degree or an approved international equivalent qualification, or
- a combination of qualifications and work experience which we consider to be suitable preparation for entry into your chosen course.

Some courses may have additional entry requirements. Please refer to specific course requirements here:

[latrobe.edu.au/int-courses](http://latrobe.edu.au/int-courses)

## Higher degrees by research

For more information about these degrees, also known as graduate research degrees, see the 'Research at La Trobe' section on page 30 or check here: [latrobe.edu.au/int-research-degrees](http://latrobe.edu.au/int-research-degrees)

## English language requirements

English is the main language used in teaching at La Trobe, so we've set our requirements to ensure you can successfully complete your course. There are a number of ways you can demonstrate English language proficiency.

### English tests

This guide uses IELTS Academic scores as the standard for English language requirements.<sup>1</sup> The IELTS English test is the most popular English test taken across the world and is available in nearly every country. IELTS tests Reading, Writing, Listening and Speaking.

We also accept these English tests, except where specified:

- TOEFL Internet-Based Test (iBT)
- Pearson Test of English (PTE) Academic
- C1 Advanced<sup>2</sup>
- C2 Proficiency.<sup>3</sup>

Our minimum accepted scores for English tests are listed below.

Some courses may have different English requirements. If you already know your preferred course, you can check the requirements here:

[latrobe.edu.au/int-courses](http://latrobe.edu.au/int-courses)

Found your course's required IELTS score and it's higher than our minimum requirements? Check our website for all equivalent scores:

[latrobe.edu.au/int-english](http://latrobe.edu.au/int-english)

### Other proficiency

You may be able to demonstrate your English proficiency using your academic qualifications. For additional information, please refer to our website: [latrobe.edu.au/int-english](http://latrobe.edu.au/int-english)

## Minimum English language requirements

Programs	IELTS Academic <sup>1</sup>	TOEFL iBT	PTE Academic	C1 Advanced <sup>2</sup>	C2 Proficiency <sup>3</sup>
<b>Undergraduate courses</b>	Overall score of 6.0 with no band less than 6.0	Overall 64 with 13 in Reading, 12 in Listening, 18 in Speaking and 21 in Writing	Overall score of 50 with no communicative skill score less than 50	169 with no less than 169 in any component	176 with no less than 169 in any component
<b>Postgraduate coursework and graduate research degrees</b>	Overall score of 6.5 with no band less than 6.0	Overall 79 with 13 in Reading, 12 in Listening, 18 in Speaking and 21 in Writing	Overall score of 58 with no communicative skill score less than 50	176 with no less than 169 in any component	176 with no less than 169 in any component

1. IELTS General Training is not accepted for admission into our courses.  
 2. Formerly known as Cambridge English: Advanced and Certificate in Advanced English.  
 3. Formerly known as Cambridge English: Proficiency and Certificate of Proficiency in English.

# Choose your path to La Trobe

Found your dream course, but don't quite meet the academic or English language entry requirements? That's okay. There's more than one path to studying with us.

## La Trobe life from day one

We offer international pathway programs through our on-campus provider La Trobe College Australia (LTCA). They're based at our Melbourne and Sydney campuses, so you'll be perfectly placed to transition to university and the Australian way of life.

With English language and pathway programs ranging from 10-week blocks to 12 months, LTCA helps thousands of international students like you to study at La Trobe University.

LTCA's highly qualified lecturers specialise in university preparation, so they understand the unique needs of international students transitioning to a new culture, language and education system.

And when you study on campus, you'll get the university experience from your first day – including access to all the best facilities, social activities and student clubs.

## Undergraduate pathways

LTCA offers Foundation Studies and Diploma programs to prepare you for undergraduate study. They provide pathways to a range of undergraduate degrees.

- If you've just completed the equivalent of Australian Year 11, our Foundation Studies programs will prepare you to enter the first year of a Bachelor's degree.
- If you've completed the equivalent of Australian Year 12, Diploma programs help you transition into the second year of a related Bachelor's degree.<sup>1</sup>

## Postgraduate pathways

Want to study a Master's degree but need some extra support? Our Postgraduate Enabling Program (PEP) provides a pathway into a wide range of our Master's degrees, and is delivered by LTCA in Melbourne and Sydney.

### English programs

Need to meet the language requirements for your course? Study English on-campus in Sydney or Melbourne with LTCA, then progress into your pathway course or La Trobe degree.<sup>2</sup>

## Other pathways

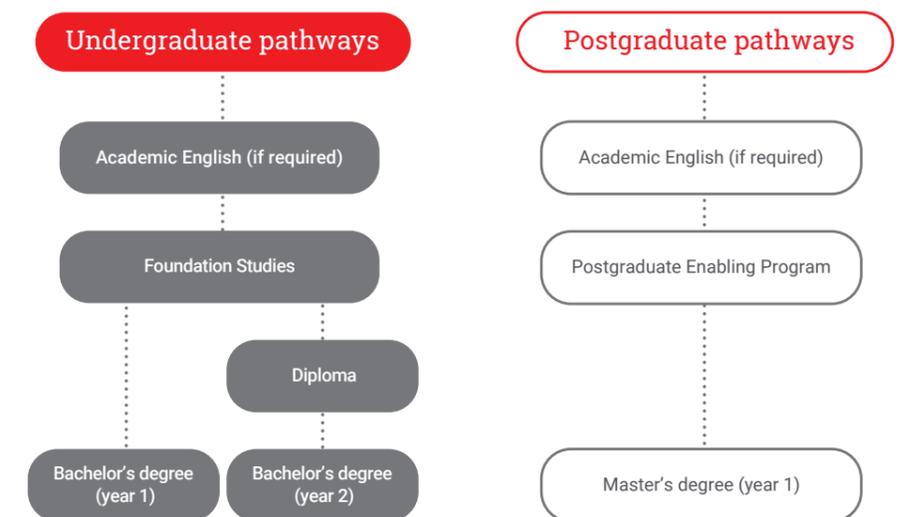

As well as our on-campus provider, we also accept students through other pathways including colleges, universities and partner institutions. Our team can help you with any questions you might have.

For more information about all our pathway options, see: [latrobe.edu.au/int-pathways](http://latrobe.edu.au/int-pathways)

### How it works

Thinking of coming to La Trobe University through LTCA? We've illustrated what that could look like below.

For information on LTCA eligibility requirements and full details on all available programs, visit the LTCA website: [latrobcollegeaustralia.edu.au](http://latrobcollegeaustralia.edu.au)

1. Students successfully completing a Foundation Studies or Diploma program at La Trobe College Australia will receive a qualification from Navitas Bundoora Pty Ltd (CRICOS Provider Code 03312D), part of the global education provider Navitas Limited.  
 2. English programs in Melbourne are delivered by Navitas Bundoora Pty Ltd (CRICOS Provider Code 03312D) and in Sydney by Navitas English Ltd (CRICOS Provider Code 00289M).

# Undergraduate courses

Curious to find out what you could study at La Trobe? Already know what you're looking for? Find the course of your dreams below, then look it up online for all the details about what you'll learn, the course's admission requirements and how to apply.

ATARs listed are correct as of January round 2020 and reflect offers made based on ATAR at Melbourne or Bendigo campuses. These ATARs and their international entry equivalents are indicative only and subject to change each year. Some courses may have additional costs, and intake dates could change throughout the year and may vary between campuses. Some courses will have additional admission requirements, such as prerequisite subjects. We always keep the latest information on our course pages online, so check course listings on our website.

# Postgraduate courses

Take the next step towards your future career with a postgraduate degree. Find the course of your dreams below, then look it up online for all the details about what you'll learn, the course's admission requirements and how to apply.

**CRICOS** Course CRICOS registration code **📍** Campus locations **📅** Indicative intakes (may vary between campuses) **🕒** Course duration **💰** Indicative annual tuition fee in A\$ **IELTS** Required IELTS Academic test scores (Average score/Minimum individual band score)

**MEL** Melbourne **CTY** City **BEN** Bendigo **A-W** Albury-Wodonga **MIL** Mildura **SHP** Shepparton **SYD** Sydney

**SP** Study period

Some courses may have additional costs, and intake dates could change throughout the year and may vary between campuses. These courses will have additional entry requirements, such as undergraduate qualifications. We always keep the latest information on our course pages online, so check your course's listing on our website.

1. With a score of no less than 8.0 in Speaking and Listening.
2. Your degree will include subjects delivered at each of these campuses.
3. You can also fast-track this degree in 1.5 years (accelerated). See online for more.
4. Fee based on course's standard annual load of 90 credit points.

# Research at La Trobe

'La Trobe provides me with an international qualification and the skills to overcome challenges – not only in research, but also in communication and social involvement.'

**Chi Le**

PhD (Environmental Management)

2017 International Student of the Year – Premier's Award  
Vietnam

When you research at La Trobe, you're choosing to be at the centre of a globally renowned research community that's addressing the biggest challenges of our time.

You're choosing world-class facilities and partnerships connecting science and industry. A dedicated support network preparing researchers for successful careers. And being part of a group of leading Australian and international researchers who are working together with their community.

We're proud to be known for excellence in every aspect of our research – we're top-rated nationally and rated well above world standard in 23 fields of research.<sup>1</sup> We develop creative and innovative responses to the fundamental challenges facing our world. When you join us, you will too.

## Our degrees

We offer PhD, Professional Doctorate and Masters by Research programs depending on your goals and your educational and professional background. Which degree is right for you? Find out here: [latrobe.edu.au/int-research-degrees](https://latrobe.edu.au/int-research-degrees)

There's more than one way to start a graduate research degree at La Trobe. You can consider one of our graduate degree pathways where you may be able to transfer to a Masters by Research from an Honours degree or Masters by Coursework, subject to requirements.

## Research focus areas

We challenge you to help make the world a better place. At La Trobe, we target five Research Focus Areas (RFAs):

- building healthy communities
- securing food, water and the environment
- sport, exercise and rehabilitation
- transforming human societies
- understanding disease.

These focus areas build on our strengths and address some of the most pressing questions affecting our future. Learn more here: [latrobe.edu.au/int-rfas](https://latrobe.edu.au/int-rfas)

## How we'll help you

### Research infrastructure

As a graduate research candidate, you'll be able to access purpose-built and custom-designed research facilities. From physical facilities like the La Trobe Institute for Molecular Science to our research platforms that maximise our strengths, we've invested in infrastructure to help your research make an impact: [latrobe.edu.au/int-research-facilities](https://latrobe.edu.au/int-research-facilities)

### Scholarships

We know what it's like when you're focused on your research: you don't want anything to distract you. Our supportive scholarships for international students can help you cover tuition fees, manage your living expenses and more. Learn more here: [latrobe.edu.au/int-research-scholarships](https://latrobe.edu.au/int-research-scholarships)

## Research support

Prepare for the next step in your career with our Research Education and Development (RED) support program. We help La Trobe graduate researchers and early-career researchers develop:

- quality research practices
- strategies to achieve publication and source funding
- insight into career paths and industry sectors
- excellent research communication skills.

Find out more: [latrobe.edu.au/int-red](https://latrobe.edu.au/int-red)

## Industry and community engagement

We know that graduates don't always remain in academia. That's why we'll support you to develop your skills and build contacts outside the university sector. The people you meet at La Trobe will help you build a rewarding career, no matter where life takes you.

If you want to grow your networks while you research, try an internship or mentoring program. Another way is our La Trobe PhD with an industry focus, which embeds you in an organisation where you'll use your research to solve problems and build your professional networks.

You'll learn from Australian industry leaders. You'll build a track record of delivering results. And when you're finished, you'll be amazed at the opportunities that come your way.

There's more information here: [latrobe.edu.au/int-industry-community](https://latrobe.edu.au/int-industry-community)

## How to get started

Ready to change the world? Find out how to research at La Trobe: [latrobe.edu.au/int-apply-research](https://latrobe.edu.au/int-apply-research)

1. Australian Research Council, 2019, Excellence in Research for Australia (ERA) Outcomes 2018.

# How to apply

We can't wait to welcome you to La Trobe. When you're ready to apply, we're here to help you with every part of the process – from helping you find the right course to preparing you for Australian life.

## 1. Choose your course

Find a course in this guide, then head online to find out all the details.

Want to speak to someone about which course is right for you? We're here to help: [latrobe.edu.au/int-contact](https://latrobe.edu.au/int-contact)

## 2. Check the entry requirements

Make sure you understand your course's entry requirements, including academic and English language requirements.

This guide lists indicative requirements for our courses. If you know the course you want to study, check its full entry requirements online: [latrobe.edu.au/int-courses](https://latrobe.edu.au/int-courses)

## 3. Check your pathway options

Need support to meet your course's entry requirements? We offer English language and pathway programs through our on-campus provider La Trobe College Australia: [latrobe.edu.au/int-pathways](https://latrobe.edu.au/int-pathways)

## 4. Get your documents ready

You'll need to provide supporting documentation for your application. As you'll need to collect several documents and get some of them certified, it's a good idea to start work on this step as early as possible.

Find out more: [latrobe.edu.au/int-apply](https://latrobe.edu.au/int-apply)

## 5. Submit your application

As an international student, you can apply directly to La Trobe or with the help of one of our overseas representatives. Find a representative in your country: [latrobe.edu.au/int-agents](https://latrobe.edu.au/int-agents)

We accept applications throughout the year. You can apply online via our International Online Application System: [student-latrobe.studylink.com](https://student-latrobe.studylink.com)

If you need help completing your application, or have any questions about the process, we're always here to help. Email us at: [LTIRecruitment@latrobe.edu.au](mailto:LTIRecruitment@latrobe.edu.au)

## 6. Accept your offer

Once we've assessed your eligibility, if you're successful, we'll provide you with a Letter of Offer and Offer Acceptance Form. We'll also provide a guide on the next steps to accept your place in your course. Learn more here: [latrobe.edu.au/int-accept](https://latrobe.edu.au/int-accept)

## 7. Prepare for study at La Trobe

Our International Student Services team will help you prepare for study, and when it's time to join us on campus, they'll help you get ready for life in Australia. Here's how: [latrobe.edu.au/int-prepare](https://latrobe.edu.au/int-prepare)

La Trobe University acknowledges that our campuses are located on the lands of many Traditional Custodians in Victoria and New South Wales. We recognise their ongoing connection to the land and value their unique contribution to the University and wider Australian society.

La Trobe University is committed to providing opportunities for Aboriginal and Torres Strait Islander people, both as individuals and communities, through teaching and learning, research and community partnerships across all our campuses.

The wedge-tailed eagle (*Aquila audax*) is one of the world's largest, and the Wurundjeri people – Traditional Owners of the land where our Melbourne campuses are located – know the wedge-tailed eagle as Bunjil, the creator spirit of the Kulin Nations.

There is a special synergy between Bunjil and the La Trobe University logo of an eagle. The symbolism and significance for both La Trobe and for Aboriginal people challenges us all to gamagoen yarrbat – to soar.

## Find an agent

Want some extra support? Our authorised agents can help you with advice and information on the application process.

Find an authorised La Trobe University agent here: [latrobe.edu.au/int-agents](https://latrobe.edu.au/int-agents)
