# Bachelor of **BUSINESS (PROPERTY)**

Prepare for career success as a property professional with critical advisory and management skills.

You will learn a series of property courses covering the physical, economic, planning and legal aspects of property as well as specialist areas including property valuation, agency and management and property funds management.

During your studies you will get practical experience through an experiential elective or by participating in a business simulation project.

## **REAL-WORLD CONNECTIONS**

Learn from teachers with professional experience as part of your studies. You will also have opportunities to connect with industry outside the classroom by completing an internship or industry project, or by participating in our overseas exchange program.

Build your network and career by participating in our Business Career Mentor Program which pairs you with an experienced business professional.

## **3+1 PATHWAY TO MASTERS**

Package the Bachelor of Business (Property) with the Master of Finance degree and graduate with two qualifications in just four years with our 3+1 Pathway to Masters program. This unique offering allows you to fast-track your studies, develop greater expertise and broaden your career opportunities.
